A Cup and a Click

Any day could be a photo safari as you walk, drive, bike or jog through your community. Maybe you saw something you loved and snapped a picture with your phone. Maybe you saw something you wish would be changed in the future and took note of it.

We want to hear about Mt. Lebanon from your point of view. What makes your community great? What should be changed? Let us know.

What's in it for you? A free cup of coffee. That's what we'll give you when you stop in to see us on Friday August 24 during the course of your daily safari.

If your morning routine brings you past Coffee Tree Roasters on Beverly Road between 7:30am and 9am, stop in, chat with us and grab your free small coffee. Stay for one minute or stay for an hour—it's up to you. If you are venturing out at lunchtime, you will find us at Orbis Caffe on Washington Road from 11:30am to 1pm. Pick up a free small coffee and tell us what you think about your community.

Wish you could have a free large coffee instead? You can. Email us pictures of what you love and/or what you would change in Mt. Lebanon before August 24 and we'll treat you to a free large coffee! Our email address is mtlebophotosafari@gmail.com.

Where do I go?
