Consideration of Minutes The May minutes were unanimously approved with one change.

REPORTS:

Chair:

Lisa Borrelli Dorn said the Meet the Manager gatherings were a success. A discussion followed. Susan Morgans said Manager Keith McGill enjoyed the events, even though the crowds were not large, because he had an opportunity to talk with people who do not typically attend Commission meetings. The group agreed that the summer might not be the best time to hold these events, if another series is planned. Mark Trumbull said it might be better in the future to gear the events around a specific topic.

Commission Liaison:

Commissioner Steve Silverman updated the board on the planned archery phase of the 2016 deer management program. Susan Morgans will send the link to the deer management information that appears on the municipal website to everyone tomorrow.

Staff Liaison

Susan Morgans reported on the Look UP Lebo campaign that the police department and public information office have been working on at the commission's request. The goal is to raise awareness of driver, pedestrian and bicycle safety and to promote the goal of sharing the road.

TOPIC OF THE MONTH:

Police Chief Aaron Lauth talked with the board about community policing, police training, the types of crimes that are trending and how the police handle difficult situations ranging from drug overdoses and domestic violence to people with mental illness and people who hoard. He also discussed his recent training at the FBI Academy. The board thanks Chief Lauth for this excellent presentation.

OTHER BUSINESS

Other business on the agenda was deferred until October.

The next meeting is Wednesday, October 12 at 6 p.m. The meeting adjourned at 7:30
