The following appeal is listed for hearing at which time - as a property owner within 200 feet of the property in question or an interested person - you are invited to submit your view on the matter in person, by writing, or by representatives.

**APPEAL NO. 1787**

**OWNER:** Jason P. Camillo 559 Briarwood Avenue Pittsburgh, PA 15228

**APPELLANT** Jason P. Camillo 559 Briarwood Avenue Pittsburgh, PA 15228

**LOCATION:** 559 Briarwood Avenue Pittsburgh, PA 15228

The appellant is requesting a variance to Ordinance No. 2636, Chapter XX, and the following section:

§804 Air Conditioning Systems/Mechanical Equipment. Air conditioning systems shall be subject to the following additional requirements:

804.1 In all R-1 and R-2 Districts, any outdoor installation constructed or placed on a Lot in connection with an air conditioning system designed to air condition all or part of a residence shall be located in a Front Yard provided that it shall not be located more than five (5) feet in front of the Building Line or shall not be located less than seven (7) feet from the Side Lot Line and adequately screened as outlined in §814. In a Side and Rear Yard, no less than seven (7) feet from the side or Rear Lot Line.

The owner is requesting this variance for (2) two existing Air Conditioning units that will become nonconforming due to an application for subdivision submitted by the adjacent property. If approved, the two units will be within 4ft. 1 inch of the proposed side yard realignment.

The property is zoned R-2 Single Family Residential District.

The application for this request was received by the Chief Inspector and it was determined that the matter should properly come before the Zoning Hearing Board. Ordinance No. 2636, Chapter XX, Part 12, section 1201, empowers the Zoning Hearing Board to act in this appeal.
