Recommended Action: Move to approve the minutes.

SS 5. Consideration to amend the current purchasing agreement with Cargill Inc., to supply rock salt for the 2020-2021 winter season. - passed

In 2019 bids for rock salt were solicited through the SHACOG Purchasing Alliance and Cargill Inc., submitted the winning bid. The current agreement requires the municipality to purchase 80 percent of the estimated salt allotment by June 30, 2020. Due to minimal snowfall during the past winter season, the municipality did not purchase the amount required under the current agreement. Cargill has agreed to extend this requirement through December 31, 2020. There would be no additional cost associated with this amendment since the municipality has already committed to the purchase of the material.

Recommended Action: Move to authorize the Municipal Manager to execute an amendment to the current purchasing agreement with Cargill Inc., to extend the period for purchasing rock salt from June 30, 2020 to December 31, 2020.

CG 6. Adjournment.
