APPEAL NO. 1819

OWNER: Kevin Abbott, 135 Abington Dr, Pittsburgh, PA 15216

APPELLANT: Kevin Abbott, 135 Abington Dr, Pittsburgh, PA 15216

LOCATION: 135 Abington Dr, Pittsburgh, PA 15216

The applicant is seeking a variance for the construction of an addition to the side of the existing dwelling which is also into the required rear yard. The existing structure is nonconforming due to the reduced rear yard of 12.62', however the proposed addition would be an extension into a new area. The proposed addition would result in a rear yard of 18'6", whereas 30' is the required minimum.

The appellant is requesting a variance to Ordinance No. 2636, Chapter XX, and the following sections:

203.5.3.1.3 Rear Yard.

203.5.3.1.3.1 Principal Use or Structure: thirty (30) feet.

903.4 Expansion or Extension of Nonconforming Buildings or Structures.

903.4.1 A Nonconforming Building or Structure may not be expanded, extended or increased in size in any manner except pursuant to a Variance obtained from the Zoning Hearing Board in accordance with applicable laws and ordinances and such reasonable conditions and safeguards as may be imposed by the Zoning Hearing Board.

903.4.2 For Dwellings, if the reason for the existing nonconformity consists only of a dimensional nonconformity of Required Yards, then expansion may occur without a Variance if such expansion, extension or other increase in size in itself does not: (i) increase the dimensional nonconformity nor (ii) extend it into new area. In addition, the expansion must conform with all applicable ordinances and laws, provided that there shall not be a reduction of the total Side Yard requirement for new construction.

The property is zoned R-2 Single Family Residential District

The application for this request was received by the Chief Inspector and it was determined that the matter should properly come before the Zoning Hearing Board. Ordinance No. 2636, Chapter XX, Part 12, section 1201, empowers the Zoning Hearing Board to act in this appeal.
