Full Rate - represents the full (published) rate schedule. A written advertising contract is agreed upon and signed by both the magazine representative and the advertiser. Advertisers earn frequency discounts based on the number of advertising insertions they commit to run during a one-year period. Rates for this table include the *Mt. Lebanon* magazine staff time required for the art preparation and proofreading of the customer's ad through final advertiser ad approval.

In addition: Digital Ready 10% Discount - represents the advertising rate allowing for a discount of 10% when the advertiser or his agent prepares and submits a completed and approved-to-run advertisement. This advertisement is submitted to us in digital form for placement within the magazine's electronic file.

In addition: Rate Protected (1/2 Increase) - Full rates are adjusted for advertisers who are under a written advertising contract agreement with the magazine at the time a rate increase occurs (formerly billed at full rates). As stated within our advertising contract, the advertiser qualifies to receive only 1/2 of the rate increase because they have an active advertising contract. This discount, however, applies only to contracts containing an ad commitment of 5 insertions per year or more, and excludes small or special thematic ads (business cards, 1/12 ads, coupons, and guide ad insertions).

In addition: Rate Protected-Digital Ready (1/2 Inc. & 10% Discount) - rates are effective for advertisers who are under a written advertising contract agreement with the magazine at the time a rate increase occurs (formerly billed at Digital Ready 10% Discount). As stated within our advertising contract, the advertiser qualifies to receive only 1/2 of the rate increase because they have an active advertising contract. These advertisers continue to receive the 10% discount for submitting digital-ready ads and then receive 1/2 of the new rate increase. This discount, however, applies only to contracts containing an ad commitment of 5 insertions per year or more, and excludes small or special thematic ads (business cards, 1/12 ads, coupons, and guide ad insertions).
