Full Rate - represents the full (published) rate schedule. A written advertising contract is agreed upon and signed by both the magazine representative and the advertiser. Advertisers earn frequency discounts based on the number of advertising insertions they commit to run during a one-year period. Rates for this table include the *Mt. Lebanon* magazine staff time required for the art preparation and proofreading of the customer's ad through final advertiser ad approval.

In addition: Digital Ready Discount -The magazine allows a 5% discount off the full rate when the advertiser or his agent prepares and submits a completed and approved-to-run advertisement. This advertisement is submitted to us in digital form for placement within the magazine's electronic file. (Reduced from the 10% discount allowed in 2011).

New for 2012. We will offer full sized business cards in full color. This new opportunity means we will no longer offer the black & white 1/12 ads because advertisers can get similar space in color. We have lowered the cost of the full page ad only in an effort to spur additional sales of the largest ad unit space. Due to sluggish coupon sales during 2011, we will not offer the coupon ad in 2012.
