Located in the Recreation Center complex just off Cedar Boulevard in Mt. Lebanon Park, Mt. Lebanon's 50-meter outdoor swim center offers lap swimming, lessons, competition and recreational swimming for people of all ages. Home to Mt. Lebanon's nationally known Aqua Club, the pool is the place to learn to swim in Aqua Club sponsored lessons or to watch elite swimmers compete in annual meets.

The swim center was completely renovated in 2014 with a new bathhouse, family changing rooms, new pool heater, new zero depth leisure pool, new double slide tower, 50 meter lap lanes, new poolside rock climbing wall, a snack bar and plenty of space for sunning on comfortable lawn chairs. Mt. Lebanon Swim Center is open for the 2019 season from May 25 through August 25, weather permitting.

It is a venue for special summer events for families and teenagers and may be rented for private events after regular hours.
