

# S.A.F.E.

**STOP ADDICTION FOR EVERYONE**

***“I didn’t know those little white things could make me so sick”***

**ADDICTION IS A TREATABLE DISEASE:** Prescription overdose deaths outnumber deaths from heroin and cocaine combined.

**YOUR PRESCRIPTION MEDS CAN BE SOMEONE ELSE’S PROBLEM!**

**KEEP YOUR MEDICATIONS SECURE.**

**Drop off unused or expired meds at  
Mt. Lebanon Public Safety Center  
555 Washington Road**
