

# S.A.F.E.

**STOP ADDICTION FOR EVERYONE**

***“Pills are everywhere on campus, and if you can’t get pills, heroin is even cheaper.”***

**ADDICTION IS A TREATABLE DISEASE:** Prescription and over-the-counter drugs are, after marijuana and alcohol, the most commonly abused substances by Americans 14 and older.

**YOUR PRESCRIPTION MEDS CAN BE SOMEONE ELSE’S PROBLEM!**

**KEEP YOUR MEDICATIONS SECURE.**

**Drop off unused or expired meds at  
Mt. Lebanon Public Safety Center  
555 Washington Road**
