STOP ADDICTION FOR EVERYONE

***“Someone in my office took pills from my purse. Whoever it is must need help.*”**

ADDICTION IS A TREATABLE DISEASE:
Taking a prescription drug for non-medical use to self-medicate or get high can be just as dangerous and addictive as taking illegal street drugs.

YOUR PRESCRIPTION MEDS CAN BE SOMEONE ELSE'S PROBLEM!

KEEP YOUR MEDICATIONS SECURE.

**Drop off unused or expired meds at
Mt. Lebanon Public Safety Center
555 Washington Road**
