

S.A.F.E.

STOP ADDICTION FOR EVERYONE

“I couldn’t imagine my neighbor’s son would steal pills from my medicine cabinet.”

FACT: By survey, almost 50 percent of teens believe that prescription drugs are much safer than illegal street drugs—60 to 70 percent say that home medicine cabinets are their source of drugs.

YOUR PRESCRIPTION MEDS CAN BE SOMEONE ELSE’S PROBLEM!

KEEP YOUR MEDICATIONS SECURE.
