

VII. SEWERS

NOTE: For certain sewerage in connection with street improvement, see IX, "Streets and Sidewalks."

- 7-1. Adopting a public sewer system plan for a part of said Township, providing for the construction of a system for sanitary sewerage in accordance therewith, regulating the use thereof and providing penalties for the violation of the provisions of this ordinance. (Ordinance 11, July 22, 1912)
- 7-2. Authorizing and directing the President and Secretary of the Board of Commissioners of the said Township for and on behalf of the Township of Mt. Lebanon to make and enter into a contract with the Borough of Dormont to provide for disposal of sewerage in the Little Saw Mill watershed. (Ordinance 15, January 20, 1913)
- 7-3. Adopting a public sewer system plan for part of said Township, repealing a part of prior ordinance, and re-enacting certain provisions thereof. (Ordinance 21, March 31, 1913) (Section 1 of Ordinance 11 was repealed, and Sections 2 and 3 were re-enacted. Ordinance 11 is listed in Section 7-1.)
- 7-4. Authorizing the construction of sanitary sewers in the streets and alleys of said Township and over private lands. (Ordinance 25, June 9, 1913)
- 7-5. Adopting plans for sewerage disposal plants and providing for the construction of the same in said Township, and authorizing the Commissioners of said Township to acquire certain lands necessary for such purposes. (Ordinance 26, July 7, 1913)
- 7-6. Authorizing change in grade of sanitary sewer on Ammann Avenue, and authorizing the extension of the same to Cochran Road, and the construction of sanitary sewers on Maple Avenue. (Ordinance 28, October 13, 1913)
- 7-7. Charging a portion of the cost of construction of the public sewer system of said Township on the properties accommodated or benefited thereby and apportioning the amount of said cost to be paid by the Township, providing for the payment of said charge by assessment of the property abutting on said sewer system in proportion to benefits, and providing for a fixed charge to be paid to the Township for connections made with said sewer system where the same crosses private lands. (Ordinance 32, January 19, 1914)
- 7-8. Confirming the report of viewers heretofore appointed by Ordinance 32 of said Township authorizing the Treasurer to make collection of the amounts charged therein against the various property owners and directing the manner in which notice of such charges shall be given. (Ordinance 35, March 30, 1914) (Ordinance 32 is listed in Section 7-7.)
- 7-9. Authorizing the construction of sanitary sewers in Castle Shannon Road of said Township, between the points hereinafter designated, Carnegie Avenue in said Township from Ammann

Avenue to Bower Hill Road, Bower Hill Road between Carnegie Avenue and end of Township sewer, and LeMoyne Avenue in said Township from Hemlock Street to Orchard Way and over private property as hereinafter specified. (Ordinance 55, October 25, 1915)

- 7-10. Charging a portion of the cost of construction of a sanitary sewer upon LeMoyne Avenue in said Township upon the properties accommodated or benefited thereby and apportioning the amount of said cost to be paid by the Township and providing for the assessment of a portion of said cost upon the properties accommodated or benefited in proportion to benefits. (Ordinance 69, July 17, 1916) (See Section 7-9.)
- 7-11. Charging a portion of the cost of construction of a sanitary sewer upon Castle Shannon Road in said Township upon properties accommodated or benefited thereby and apportioning the amount of said cost to be paid by the Township and providing for the assessment of a portion of said cost upon the properties accommodated or benefited in proportion to benefits. (Ordinance 70, July 17, 1916) (See Section 7-9.)
- 7-12. Charging a portion of the cost of construction of a sanitary sewer upon Carnegie Avenue and Bower Hill Road in said Township upon the properties accommodated or benefited thereby, and apportioning the amount of said cost to be paid by the Township, and providing for the assessment of a portion of said cost upon properties accommodated or benefited in proportion to benefits. (Ordinance 71, July 17, 1916) (See Section 7-9.)
- 7-13. Confirming the report of viewers appointed by Ordinance Nos. 69, 70 and 71 of said Township, authorizing the Treasurer to make collection of the amounts charged therein against the various property owners, and directing the manner in which notice of such charges shall be given. (Ordinance 78, September 11, 1916) (Ordinances 69 to 71 are listed in Sections 7-10 to 7-12.)
- 7-14. Authorizing the construction of sanitary sewers in Schaffer Place in said Township between the points hereinafter designated, Kenmont Avenue in said Township between the points hereinafter designated, Martin Avenue in said Township between Kenmont Avenue and Church Avenue, Lavina Avenue in said Township between the points hereinafter designated, Church Avenue from Lavina Avenue to property of Augustus Sieaforth, Eleanor Avenue from McFarland Avenue to its intersection with the line of Church Avenue produced, Bower Hill Road between the points hereinafter designated, and over private property as hereinafter specified. (Ordinance 79, September 11, 1916)
- 7-15. Authorizing the construction of sanitary sewers in Martin Avenue in said Township between the points hereinafter designated, Lavina Avenue in said Township between the points hereinafter designated, Eleanor Avenue between the points hereinafter designated, McFarland Avenue between the points hereinafter designated, and over private property as hereinafter specified. (Ordinance 87, October 23, 1916)
- 7-16. Charging the cost of construction of the sanitary sewer system heretofore constructed in said Township on Bower Hill Road, Schaffer Place, Kenmont Avenue, Martin Avenue, Lavina

Avenue, Church Avenue, Eleanor Avenue and McFarland Road, between the points of such streets hereinafter designated in said Township upon the properties accommodated or benefited thereby, apportioning the amount of the cost of said sewer system to be paid by the Township and providing for assessment of the cost thereof on properties accommodated or benefited in proportion to their frontage abutting on said sewers and specifying the manner in which the charge on each lot shall be calculated and ascertained. (Ordinance 101, September 21, 1917) (See Section 7-14.)

- 7-17. Confirming the assessments for sewers on Bower Hill Road, Schaffer Place, Kenmont Avenue, Martin Avenue, Lavina Avenue, Church Avenue, Eleanor Avenue and McFarland Road, in said Township, and providing for the collection of the same. (Ordinance 104, September 24, 1917) (See Section 7-16.)
- 7-18. Authorizing the construction of a sanitary sewer in Castle Shannon Road in said Township between the points hereinafter designated and providing for the assessment of the cost of the construction thereof, on abutting properties benefited thereby, in proportion to the frontage [abutting on said sewer and specifying the manner in which the charge on each lot shall be calculated and ascertained]. (Ordinance 119, June 16, 1919) (For amendment to this ordinance, see Section 7-19.)
- 7-19. Amending Ordinance No. 119 by providing that the cost of construction of the sanitary sewer in Castle Shannon Road in said Township shall be assessed upon the abutting properties according to benefits. (Ordinance 122, September 8, 1919) (Ordinance 119 is listed in Section 7-18.)
- 7-20. Authorizing the construction of a sanitary sewer in McFarland Avenue in said Township from the westerly line of Raleigh Avenue to the center line of Martin Avenue and providing for the assessment of the cost of construction thereof upon abutting properties according to benefits. (Ordinance 123, December 29, 1919)
- 7-21. Authorizing the construction of sanitary sewers in Grandin Avenue, Dell Avenue, Annapolis Avenue, Tolma Avenue and Mervin Avenue in said Township between the points hereinafter described and providing for the assessment of the costs, damages, and expenses thereof upon abutting property according to benefits. (Ordinance 130, March 22, 1920)
- 7-22. Authorizing and directing the President and Secretary of the Board of Commissioners of said Township for and on behalf of the Township of Mt. Lebanon to enter into an agreement with the Clearview Land Company and Mt. Lebanon Land Company to accept the dedication of a part of the sewerage system of said Land Company. (Ordinance 136, May 17, 1920)
- 7-23. Authorizing the construction of sanitary sewers in Cochran Road, Atlanta Avenue, Florida Avenue and Schenley Avenue in said Township between the points hereinafter designated and providing for the assessment of the costs, damages, and expenses thereof upon the abutting property according to benefits. (Ordinance 137, May 17, 1920)

- 7-24. Authorizing and directing the President and Secretary of the Board of Commissioners of said Township for and in behalf of the Township to make and enter into a contract with the Borough of Dormont for the construction of a trunk sewer in Little Saw Mill Run watershed. (Ordinance 147, December 27, 1920)
- 7-25. Authorizing the construction of sanitary sewers in Kenmont Avenue, Marion Avenue, Clokey Avenue, Lebanon Avenue and Oak Way in said Township between the points hereinafter designated and providing for the assessment of the costs, damages, and expenses thereof upon abutting property according to benefits. (Ordinance 169, October 3, 1921)
- 7-26. Authorizing the construction of sanitary sewers in Jefferson Drive, Parkway Drive, Orchard Drive, Mission Drive, and Poplar Street, and over rights of way in said Township between the points hereinafter designated and providing for the assessment of the costs, damages, and expenses thereof upon abutting property according to benefits. (Ordinance 182, January 23, 1922)
- 7-27. Authorizing the construction of sanitary sewers in Hazel Avenue in said Township from Washington Road to Hemlock Street and in Bayard Avenue from Hemlock Street to LeMoyne Avenue, and providing for the assessment of costs, damages, and expenses thereof upon abutting property according to benefits. (Ordinance 183, February 20, 1922)
- 7-28. Authorizing the construction of a sanitary trunk sewer in said Township through private lands as hereinafter specified. (Ordinance 187, March 6, 1922)
- 7-29. Authorizing the construction of a sanitary sewer in Bayard Avenue in said Township from Castle Shannon Road to LeMoyne Avenue and providing for the assessment of costs, damages, and expenses thereof upon abutting property according to benefits. (Ordinance 188, March 6, 1922)
- 7-30. Authorizing the construction of sanitary sewers in Eleanor Avenue, Pauline Avenue, Sieaforth Avenue, Layton Avenue, Imbrie Avenue, and over private rights of way in said Township between the points hereinafter designated and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 200, April 18, 1922)
- 7-31. Authorizing the construction of sanitary sewers in Vernon Drive from Martha Avenue to the westerly end thereof and branch sewers in Martha Avenue from Vernon Drive to a point opposite the center line of Lot numbered 11 in the Washington Park Plan of Lots and a branch sewer from the westerly end of Vernon Drive along Daisy Lane to the line of property of William H. Craig and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 216, May 15, 1922)
- 7-32. Authorizing the construction of a sanitary trunk sewer in said Township through private lands as hereinafter specified. (Ordinance 217, May 15, 1922)

- 7-33. Authorizing the construction of sanitary sewers in Parkway Drive, Jefferson Drive, Avon Drive, Ashland Avenue, and over private rights of way, in said Township between the points hereinafter designated and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners benefited thereby. (Ordinance 233, July 24, 1922)
- 7-34. Authorizing the construction of a sanitary sewer in Bower Hill Road in said Township from Maple Avenue to Cochran Road, providing for the assessment of the costs, damages, and expenses thereof upon abutting property specially benefited thereby. (Ordinance 242, August 7, 1922)
- 7-35. Authorizing the construction of a sanitary sewer in McCully Street in said Township from property of Keefer to connect with the Township sewer in Ralston Place, providing for the assessment of the costs, damages, and expenses thereof upon abutting property specially benefited thereby. (Ordinance 246, October 2, 1922)
- 7-36. Authorizing the construction of sanitary sewers in Sunset Drive in said Township from Scott Road to Parkside Avenue, and in Scott Road in said Township from Sunset Drive to the line of Boundary Street produced, with branch sewers in Kennedy Avenue, Boundary Street, Birch Avenue, Parkside Avenue, Questend Avenue, Broadmoor Avenue, Jonquil Avenue and Catalpa Avenue and Fruithurst Drive, and over private lands from Scott Road to intersect with the present Township sewer, as hereinafter set forth, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 249, November 1, 1922)
- 7-37. Authorizing the construction of sanitary sewers in Scrubgrass Road in said Township from the westerly line of the Kuhlman property to Cochran Road and in Cochran Road in said Township from Scrubgrass Road to McCully Street with branch sewers in Beverly Road and over private lands along the line of Beverly Road produced to Cochran Road, in Arden Road, Marlin Drive East, Marlin Drive West, McCully Street and Abbott Street in said Township and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 285, April 2, 1923)
- 7-38. Authorizing the construction of a sanitary sewer in Miami Avenue in said Township from Cochran Road to Clearview Avenue and providing for the assessment of the costs, damages, and expenses thereof upon abutting property specially benefited thereby. (Ordinance 298, May 14, 1923)
- 7-39. Authorizing the construction of a sanitary trunk sewer in said Township through private lands as hereinafter specified. (Ordinance 310, May 28, 1923)
- 7-40. Authorizing the construction of sanitary sewers in Park Entrance Drive, Lebanon Hills Drive, Connecting Road, Outlook Drive, Circle Way and Main Entrance Drive in the Plan of Lebanon Hills in said Township with sanitary sewers over various private rights of way in said Plan as hereinafter set forth, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 311, May 28, 1923)

- 7-41. Authorizing the construction of sanitary sewers in Parkside Avenue in said Township from Richland Road to the Dormont Borough line, with branch sewers: in Questend Avenue from Parkside Avenue to Richland Road; in Broadmoor Avenue from Scott Road to Richland Road; in Jonquil Avenue from Scott Road to Richland Road; in Catalpa Avenue from Scott Road to Richland Road; in Rosemont Avenue from Parkside Avenue to Scott Road; in Fernwood Avenue from Lindenwood Avenue to the westerly end thereof; in Lindenwood Avenue from Richland Road to the northerly end thereof; and in Earlswood Avenue from Lindenwood Avenue to Catalpa Avenue, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 332, August 28, 1923)
- 7-42. Authorizing the construction of a sanitary sewer in Washington Road in said Township from Howard Lane to Park Entrance Drive with a branch sewer in Park Entrance Drive from Washington Road to connect with the present Township sewer and providing for the assessment of the costs, damages, and expenses thereof upon abutting property specially benefited thereby. (Ordinance 346, November 12, 1923)
- 7-43. Authorizing the construction of sanitary sewers in Avon Drive, Orchard Drive and along sewer rights of way and over private lands in Mission Hills Plan No. 3 as hereinafter set forth and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 348, January 21, 1924)
- 7-44. Authorizing the construction of a sanitary sewer in Cypress Street in said Township from Castle Shannon Road to the present sewer in Spruce Street and providing for the assessment of the costs, damages, and expenses thereof upon abutting property specially benefited thereby. (Ordinance 349, January 21, 1924)
- 7-45. Authorizing the construction of sanitary sewers in Beverly Road from McFarland Road to Parker Drive; in Newburn Drive from Beverly Road to a point about 300 feet north of Morrison Avenue; in Morrison Avenue from Lyndhurst Avenue to the easterly end thereof; in Parker Drive from Beverly Road to Lyndhurst Avenue; in Meadowcroft Avenue from Parker Drive to Morrison Avenue; in Hillcrest Avenue from Parker Drive to Morrison Avenue; in Lyndhurst Avenue from Parker Drive to Morrison Avenue and over private lands from easterly end of Morrison Avenue to intersection with the present Township sewer, and in said Township and providing for the assessment of the costs, damages and expenses upon abutting property owners specially benefited thereby. (Ordinance 361, February 18, 1924)
- 7-46. Authorizing the construction of sanitary sewers in Parkside Avenue from Richland Road to the northerly end thereof in said Township with branch sewers in Questend Avenue, Broadmoor Avenue, Jonquil Avenue, Catalpa Avenue, Rosemont Avenue, Fernwood Avenue and over private lands from Parkside Avenue to the rear of Lot No. 160 in Sunset Hills Plan No. 2 and over private lands from Catalpa Avenue to Jonquil Avenue and from Jonquil Avenue to Broadmoor Avenue; also sanitary sewer in Lindenwood Avenue with branch sewers on Earlswood Avenue and providing for the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 370, February 18, 1924)

- 7-47.** Authorizing the construction of a storm sewer in said Township from the storm sewer in Cochran Road to connect with storm sewers in Baywood Avenue, Florida Avenue and Cedar Boulevard in said Township through private lands as hereinafter specified. (Ordinance 391, August 18, 1924)
- 7-48.** Authorizing the construction of a storm sewer from Cornell Avenue and Hemlock Street in said Township to a point on the dividing line between Lots No. 86 and 87 in the Avondale Plan of Lots through private lands as hereinafter specified. (Ordinance 392, August 18, 1924)
- 7-49.** Authorizing the construction of sanitary sewers in Hollycrest Drive in said Township from its intersection with the trunk sewer in Cedar Boulevard to the southerly end of Hollycrest Drive with branch sewers in Atlanta Avenue, Manchester Way and over sewer rights of way in the Hollywood Garden Plan of Lots as hereinafter set forth and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 400, September 15, 1924)
- 7-50.** Authorizing the construction of a sanitary sewer in the west side of Washington Road in said Township from Park Entrance Drive to a point six hundred fifty (650) feet south thereof and providing for the assessment of the costs, damages, and expenses thereof upon abutting property specially benefited thereby. (Ordinance 411, November 10, 1924)
- 7-51.** Authorizing the construction of sanitary sewers in Beverly Road in said Township from Meadowcroft Avenue to Overlook Avenue with branch sewers in Arden Road, Meadowcroft Avenue, Colonial Place, Overlook Avenue, Pauline Avenue and Ralston Place in said Township and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 423, November 10, 1924)
- 7-52.** Authorizing the construction of sanitary sewers in Woodhaven Avenue throughout and Longuevue Drive throughout with branch sewers in all rights of way for public utilities as shown upon the plan of Beverly Heights in said Township, and providing for the assessment of the costs, damages and expenses upon abutting property owners specially benefited thereby. (Ordinance 435, December 8, 1924)
- 7-53.** Authorizing the construction of a sanitary sewer in Florida Avenue in said Township from Clearview Avenue to Cochran Road, and providing for the assessment of costs, damages, and expenses thereof upon abutting property according to benefits. (Ordinance 452, March 16, 1925)
- 7-54.** Authorizing the construction of a storm sewer in Alfred Street in said Township from Washington Road to connect with storm sewer in Shady Avenue. (Ordinance 460, March 16, 1925)
- 7-55.** Authorizing the construction of a storm water sewer in said Township from the present storm sewer in Shady Avenue, along Shady Avenue to connect with storm sewers in Castle Shannon Road. (Ordinance 461, March 16, 1925)

- 7-56.** Authorizing the construction of a sanitary sewer in Birch Avenue in said Township from Scott Road to Spruce Street, and providing for the assessment of costs, damages, and expenses thereof upon abutting property according to benefits. (Ordinance 462, March 16, 1925)
- 7-57.** Authorizing the construction of a sanitary sewer in Duquesne Avenue in said Township from Bower Hill Road to the present sewer in Cedar Boulevard, and providing for the assessment of the cost, damages, and expenses thereof upon abutting property specially benefited thereby. (Ordinance 466, March 16, 1925)
- 7-58.** Authorizing the construction of a sanitary sewer in Meadowcroft Avenue in said Township from Morrison Avenue to Parker Drive, and providing for the assessment of costs, damages, and expenses thereof from abutting property according to benefits. (Ordinance 467, March 16, 1925)
- 7-59.** Authorizing the agreement between the City of Pittsburgh, designated as party of the first part, and Dormont Borough, Knoxville Borough, Carrick Borough, Brentwood Borough, Overbrook Borough, designated as parties of the second part, and providing for the payment of cost of construction, maintenance and repairs of a main trunk sanitary sewer in the Saw Mill Run drainage basin, from Bethel Township to Ohio River. (Ordinance 472, March 30, 1925)
- 7-60.** Authorizing the construction of a sanitary sewer in said Township from the present sewer in Florida Avenue across a one-foot reserve strip to connect with sewer in Clearview Avenue. (Ordinance 485, May 11, 1925)
- 7-61.** Authorizing the construction of sanitary sewers in Mt. Lebanon Boulevard and Rockwood Avenue with branch sewers in Washington Road, Circle Way and Clair Way in said Township and providing for the assessment of the costs, damages and expenses upon abutting property owners specially benefited thereby. (Ordinance 497, October 12, 1925)
- 7-62.** Authorizing the construction of sanitary sewers in Marlin Drive, Elwynn Avenue, Maple Avenue and Rae Avenue in said Township and providing for the assessment of the costs, damages and expenses upon abutting property owners specially benefited thereby. (Ordinance 498, October 12, 1925)
- 7-63.** Authorizing the construction of sanitary sewers in Buchanan Place, Wisteria Avenue, Central Square, Lawncroft Avenue, Central Way and over sewer rights of way in Central Square Plan of Lots in said Township and providing for the assessment of the costs, damages and expenses upon abutting property owners specially benefited thereby. (Ordinance 499, October 12, 1925)
- 7-64.** Authorizing an agreement between Mt. Lebanon Township, Knoxville Borough, Carrick Borough, Brentwood Borough, Overbrook Borough, Castle Shannon Borough, Mount Oliver Borough and Dormont Borough, providing for the payment of the cost of construction,

maintenance and repairs of a main trunk sanitary sewer in the Saw Mill Run drainage basin from the Bethel Township line through Castle Shannon Borough, Baldwin Township, and Overbrook Borough to the present city line of the City of Pittsburgh and near Edgebrook Avenue and authorizing the advertisement for bids and letting of the contract therefor. (Ordinance 500, October 26, 1925)

- 7-65.** Authorizing the proper officers of said Township to enter into an agreement with the Township of Scott relative to the construction of a trunk sanitary sewer from the corner of Scrubgrass and Cochran Road in Mt. Lebanon Township, along Cochran Road and Hopeshollow Road to Chartiers Creek in the Township of Scott. (Ordinance 533, February 15, 1926)
- 7-66.** Authorizing the construction of sanitary sewers in Iroquois Boulevard in said Township from its intersection with Seminole Drive to the intersection of said sewer with right of way for trunk sewer with branch sewers in Allendale Place, Seminole Drive, Mohawk Drive, Cherokee Place, Osage Place, Ordale Boulevard, Standish Boulevard and in sewer rights of way along the rear lines of Lots 1 to 56 inclusive; 275 to 280, inclusive; 103 to 129, inclusive; 231 to 271, inclusive; 182 to 208, inclusive, in Plan of Seminole Hills in said Township and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 578, March 15, 1926)
- 7-67.** Authorizing the construction of a sanitary sewer in said Township and in the Borough of Castle Shannon from its connection with the trunk sewer extending from Bethel Township along Saw Mill Run to the City of Pittsburgh over private lands of Heldman and Riehl to Syracuse [Avenue] with branch sewers on Syracuse Avenue and Rockwood Avenue, Kentucky Avenue and Margaretta Avenue, and providing for the assessment of the costs, damages and expenses thereof upon abutting property specially benefited thereby. (Ordinance 589, May 10, 1926)
- 7-68.** Authorizing the construction of a sanitary sewer in Mt. Lebanon Boulevard in said Township from Rockwood Avenue to Roycroft Avenue with branch sewers in Roycroft Avenue, and providing for the assessment of the costs, damages and expenses upon abutting property owners specially benefited thereby. (Ordinance 605, July 19, 1926)
- 7-69.** Authorizing the construction of sewers in Midway Road in said Township with branch sewers on Neulon Drive, Morrison Avenue and Parker Drive in said Township and providing for the assessment and collection of the costs, damages and expenses upon abutting property owners specially benefited thereby. (Ordinance 606, September 27, 1926)
- 7-70.** Authorizing the construction of sanitary sewers in Royce Avenue from Cochran Road to Marlin Drive West with a branch sewer in Arlin Alley from Royce Avenue to a point twenty (20) feet west of the dividing line between Lots 30 and 31 in Cochran Place Plan in said Township and providing for the assessment of the costs, damages and expenses upon abutting property owners specially benefited thereby. (Ordinance 607, September 27, 1926)

- 7-71. Authorizing the construction of sanitary sewers in Meadowcroft Avenue in said Township with branch sewers in Newburn Drive, Overlook Avenue, Morrison Drive, Dixon Avenue and in an unnamed 40-foot street in Parker Gardens Plan in said Township and providing for the assessment and collection of the costs, damages and expenses upon abutting property owners specially benefited thereby. (Ordinance 608, September 27, 1926) (For amendment to this ordinance, see Section 7-83.)
- 7-72. Authorizing and directing the proper officers of said Township to enter into an agreement with Pauline Riehl for the purchase of a right of way for sewer purposes over and across her property in said Township. (Ordinance 611, November 8, 1926)
- 7-73. Authorizing the construction of a trunk sanitary sewer from a point in Mt. Lebanon Township connecting with the present sewer system in Mt. Lebanon Township at the corner of Scrubgrass and Cochran Roads; thence along Cochran Road, Washington Pike and George's Run Road and through and over private lands to Chartiers Creek in Scott Township and providing for the ascertainment of the damages, if any, which may accrue by reason of the construction of said sewer through the property as aforesaid. (Ordinance 612, November 8, 1926)
- 7-74. Authorizing the construction of sanitary sewers in Chico Avenue in said Township from Bower Hill Road to Cedar Boulevard with branch sewers on Academy Place from Chico Avenue to Sage Avenue; on Sage Avenue from Chalmers Place to Academy Place and on Chalmers Place from the westerly line of Lot 74 in Willow Terrace Plan to Chico Avenue and branch sewers on Bower Hill Road from the westerly line of Lot 63 in Willow Terrace Plan to the easterly line of Lot 59 in said Plan, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 613, November 22, 1926)
- 7-75. Authorizing the construction of storm water sewer in Cochran Road in said Township from Cedar Boulevard to connect with existing sewer between Serpentine Drive and Altoona Place. (Ordinance 614, November 22, 1926)
- 7-76. Authorizing the construction of a storm water sewer from the present storm water sewer at the rear line of Lot 34 in Marlin Place Plan; thence along the easterly line of Lots 15 and 14 in Cochran Place Plan to Beverly Road; thence along the line of Beverly Road and along Cochran Road to connect with the existing sewer in Cochran Road. (Ordinance 615, November 22, 1926)
- 7-77. Authorizing the construction of sanitary sewers in Serpentine Drive in said Township from its intersection with Cochran Road to its intersection with Bower Hill Road with branch sewers in Cochran Road from Serpentine Drive to Bower Alley; in Altoona Place from Serpentine Drive to Bower Alley and in Serrano Avenue from Altoona Place to the rear line of Lot No. 6 in Central Place Plan and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 616, November 22, 1926)

- 7-78.** Authorizing the construction of sanitary sewers in Pitt Drive in said Township from property of Arlington Camp Meeting Association to Thornycroft Avenue and on Thornycroft Avenue from Pitt Drive to Crystal Drive and on Crystal Drive from Thornycroft Avenue to Broadmoor Avenue with a branch sewer on the east side of Broadmoor Avenue from Kenilworth Avenue to the line of Sunset Hills No. 1 with branch sewers in Audubon Avenue from Broadmoor Avenue to Catalpa Place and in Crystal Drive from Broadmoor Avenue to Catalpa Place and in Kenilworth Avenue from Broadmoor Avenue to Catalpa Place and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 618, December 6, 1926)
- 7-79.** Authorizing the construction of a trunk sanitary sewer from the end of the sanitary sewer in Pitt Drive at the intersection with the property of Arlington Camp Meeting Association; thence through property of Arlington Camp Meeting Association across Castle Shannon Road and through property of George J. Roth heirs to connect with the present trunk sewer and providing for the ascertainment of the damages, if any, which may accrue by reason of the construction of said sewer through the property as aforesaid. (Ordinance 619, December 6, 1926)
- 7-80.** Authorizing the proper officers of said Township to enter into an agreement with Howard B. Salkeld relative to abandonment of a portion of sewer right of way to property formerly of Edward Abbott. (Ordinance 621, February 14, 1927)
- 7-81.** Authorizing the construction of sanitary sewers in public right of way for sewer in Beverly Heights Plan No. 2 in said Township from Crescent Drive to connect with trunk sewer at the dividing line between Lots 235 and 236 in said Plan with branch sewers in right of way of the dividing line between Lots 235 and 236 in said Plan from the above sewer to north line of Inglewood Drive, in Inglewood Drive from Seneca Drive to the rear line of Lot 194, in Altadena Drive from Inglewood Drive to the end thereof, in sewer rights of way from Altadena Drive to property of Findley Gilkeson heirs and in Crescent Drive from property of the Mt. Lebanon School District to Woodhaven Drive, and in Woodhaven Drive from Crescent Drive to the dividing line between Lots 172 and 173 in said Plan and on sewer right of way from Inglewood Drive along the rear of Lots 186 to 194, inclusive, to the north line of Lot 186 and providing for the assessment of the costs, damages and expenses thereof from abutting property owners specially benefited thereby. (Ordinance 626, February 28, 1927)
- 7-82.** Authorizing the proper officers of said Township to enter into an agreement with the Pittsburgh Railways Company and Pittsburgh and Charleroi Street Railway Company with reference to construction of sewer across the private right of way of said Company near St. Anne's Church, Bethel Township. (Ordinance 669, June 6, 1927)
- 7-83.** Amending Ordinance No. 608 of said Township by authorizing the construction of an additional branch sewer on sewer right of way in Parker Gardens Plan along and over the rear of Lots 47 to 77, inclusive, in said Plan and providing for the collection of the costs, damages and expenses thereof from abutting property owners specially benefited thereby. (Ordinance 670, June 6, 1927) (Ordinance 608 is listed in Section 7-71.)

- 7-84.** Authorizing the construction of a trunk sanitary sewer from a point in the Township of Mt. Lebanon connecting with the present trunk sewer in Saw Mill Run Valley, near the disposal plant; thence through property of Pittsburgh Railways Company and Pittsburgh and Castle Shannon Railroad Company and along an unnamed street in the Borough of Castle Shannon, to connect with the existing trunk sanitary sewer in Castle Shannon Borough, and providing for the ascertainment of the damages, if any, which may accrue by reason of the construction of said sewer through property as aforesaid. (Ordinance 677, July 11, 1927)
- 7-85.** Authorizing the construction of a trunk sanitary sewer from points in Mt. Lebanon Township at the end of the present sewers in Meadowcroft Avenue and an unnamed street in Parker Gardens Plan; thence through property of Anna M. Kennedy, Ella F. Kennedy, E.G. Husler, John Bell, Frederick Roessler heirs and Adolph Weyers, to connect with the existing trunk sanitary sewer in Scott Township near Cochran Road, and providing for the ascertainment of the damages, if any, which may accrue by reason of the construction of said sewer through property as aforesaid. (Ordinance 680, August 15, 1927)
- 7-86.** Authorizing the construction of a sanitary sewer in said Township from the end of the existing sewer on the dividing line between Lots 58 and 59 in Willow Terrace Plan with a branch sewer along the rear lines of lots 140 to 145, inclusive, in Long Plan of Lots and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 681, August 29, 1927)
- 7-87.** Authorizing the proper officers of said Township to enter into an agreement with the Pittsburgh Railways Company for right of way for a trunk sewer line through property of said Railways Company in Castle Shannon Borough and Mt. Lebanon Township. (Ordinance 683, August 29, 1927)
- 7-88.** Authorizing an agreement between the Township of Mt. Lebanon, City of Pittsburgh, Dormont Borough, and Baldwin Township, providing for the payment of cost of construction, maintenance and repairs to the branch trunk sanitary sewer in Elwyn Hollow Branch Basin, extending through Baldwin Township, from Mt. Lebanon, Dormont and the City of Pittsburgh to Saw Mill Run trunk sewer at Elwyn Station. (Ordinance 684, September 12, 1927)
- 7-89.** Authorizing the construction of a sanitary sewer in said Township in Royce Avenue from Cochran Road to the west end of Royce Avenue and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 687, November 21, 1927)
- 7-90.** Authorizing the construction of a sanitary sewer in Virginia Avenue in said Township from Syracuse Street to Walnut Street and over private right of way along the rear line of Lots 76 to 85, inclusive, and 134 to 143, inclusive, in Rockwood Plan from Walnut Street to the end of the present sewer and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 688, November 21, 1927)

- 7-91.** Authorizing the construction of a sanitary sewer in said Township in Chalmers Place in said Township from Sage Avenue in Rudd Avenue and in Rudd Avenue from Chalmers Place to Ella Street and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 689, November 21, 1927)
- 7-92.** Authorizing the construction of sanitary sewers in said Township, in Dan Drive from its intersection with Meadowcroft Avenue to its intersection with Newburn Drive and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 691, November 21, 1927)
- 7-93.** Authorizing the construction of a sanitary sewer in Academy Avenue in said Township from its intersection with the westerly line of Lot #6 in Long Plan to its intersection with Cochran Road and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 692, February 13, 1928)
- 7-94.** Authorizing the construction of a sanitary sewer in Baywood Avenue in said Township from its intersection with Atlanta Avenue to its intersection with Maybrick Avenue and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 693, February 13, 1928)
- 7-95.** Authorizing the proper officers of said Township to enter into an agreement with various other municipalities relative to the payment for sanitary trunk sewer in Saw Mill Run Valley. (Ordinance 694, February 13, 1928)
- 7-96.** Authorizing the construction of a trunk sanitary sewer in said Township from a manhole near the northerly side of Lindenwood Avenue through property of E.A. Brahm and E.L. Brahm to connect with Dormont Borough trunk sewer. (Ordinance 695, February 27, 1928)
- 7-97.** Authorizing the construction of sanitary sewers in Arden Road from Cochran Road in said Township to the west line of Marlin Place with branch sewers in McCann Place from Arden Road to Beverly Road and providing for the assessment and collection of the costs, damages, and expense thereof from abutting property owners specially benefited thereby. (Ordinance 713, March 26, 1928)
- 7-98.** Authorizing the construction of a sanitary sewer in Cedar Boulevard from a point 100 feet west of Washington Road to connect with the present Township sewer and providing for the assessment of the costs, damages and expenses upon abutting property owners specially benefited thereby. (Ordinance 718, May 21, 1928)
- 7-99.** Authorizing the construction of a sanitary sewer from its intersection with the Township sewer in Questend Avenue in said Township through private property of W.H. and Charles L. Craig to a manhole in Castle Shannon Boulevard. (Ordinance 736, July 20, 1928)

- 7-100.** Authorizing the construction of an eight-inch (8") sanitary sewer along the northerly line of Questend Avenue in said Township from its intersection with the trunk sewer in the center line of Anawanda Avenue to its intersection with the westerly line of Lot No. 501 in Plan of Sunset Hills No. 3, and providing for the assessment of the costs, damages and expenses upon abutting property owners specially benefited thereby. (Ordinance 737, July 30, 1928)
- 7-101.** Authorizing the construction of an eight-inch (8") sanitary sewer along the south line of Pennsylvania Boulevard from its intersection with the present sewer in Poplar Drive to the dividing line between Lots Nos. 658 and 659 in Avondale Plan, and providing for the assessment of the costs, damages and expenses upon abutting property owners specially benefited thereby. (Ordinance 738, July 30, 1928)
- 7-102.** Authorizing the construction of a sanitary sewer along the west side of Mapleton Avenue in said Township from Freren Alley to Altoona Place, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 740, August 13, 1928)
- 7-103.** Authorizing the construction of a sanitary sewer along the east side of Washington Road in said Township from Ordale Boulevard to Mt. Lebanon Boulevard, with a branch sewer on Mt. Lebanon Boulevard from Washington Road to the dividing line between Lots 2 and 3 in the Hoodridge Plan and with branch sewer on Ordale Boulevard to connect with the existing sewer, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 741, August 13, 1928)
- 7-104.** Authorizing the construction of eight-inch (8") sanitary sewers on the easterly and westerly sides of Wasson Place in said Township from its intersection with McCully Street to the northerly end thereof; with a branch eight-inch (8") sewer from the easterly line of Wasson Place through Lot 23 in Wasson Manor to intersect with the present trunk sewer; and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 749, September 10, 1928)
- 7-105.** Authorizing the construction of an eight-inch (8") sanitary sewer in Straight Way in said Township from its intersection with the present sewer in Hilf Street to the west end of Straight Way; and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 750, September 10, 1928)
- 7-106.** Authorizing the construction of an eight-inch (8") sanitary sewer along the easterly side of Cochran Road in said Township from its intersection with Bower Hill Road to its intersection with Altoona Place, with branch sewers along the northerly side of Landsdale Place from Cochran Road to Marietta Avenue, along the northerly and southerly sides of Navato Place from Cochran Road to Marietta Avenue and along the rear line of Lots 1 to 5, inclusive, in Landsdale Place from Cochran Road to Marietta Avenue, with an eight-inch (8") sanitary sewer in Marietta Avenue from Bower Hill Road to Altoona Place, with branch sewers along the rear line of Lots 6 and 7 in Landsdale Place from Marietta Avenue to the

easterly line of Lot No. 7 and along the rear line of Lots 37, 36, 35 and 34 in Landsdale Place from Marietta Avenue to the rear line of Lot 32 in said Plan, providing for the assessments of the costs, damages and expenses upon the abutting property owners specially benefited thereby. (Ordinance 751, October 8, 1928)

- 7-107.** Authorizing and directing the proper officers of said Township for and in behalf of the Township to join with the City of Pittsburgh, Boroughs of Dormont, Brentwood, Overbrook, Mt. Oliver and Castle Shannon in accepting from Baldwin Township the sum of ten thousand five hundred dollars (\$10,500) as its share in the cost of construction of the main trunk sanitary sewer in the Saw Mill Run Drainage Basin from Bethel Township to the Ohio River. (Ordinance 754, October 8, 1928)
- 7-108.** Authorizing the construction of sanitary sewers in Mt. Lebanon Boulevard in said Township from Rockwood Avenue to line of property of George A. Jones with branch sewers in sewer rights of way in plan of St. Clair Terrace No. 2 and plan of Hoodridge No. 2 and branch sewers in Roycroft Avenue from the end of the present sewer to line of Vermont Avenue; on Vermont Avenue from Roycroft Avenue to Atlantic Avenue and on Atlantic Avenue from Vermont Avenue to the westerly line of Lot No. 30 in the Hoodridge Plan No. 2, and providing for the assessment of the costs, damages and expenses thereof upon abutting owners specially benefited thereby. (Ordinance 756, November 5, 1928)
- 7-109.** Authorizing the construction of a sanitary sewer on sewer right of way along the south line of Lots 67 and 85 in Seminole Terrace Plan from the present sewer in Washington Road to Navahoe Drive with branch sewers in sewer right of way along the rear lines of Lots 67 to 74, inclusive, and 19 to 33, inclusive, in the Seminole Terrace Plan and branch sewers on the east side of Navahoe Drive from the south line of Lot 67 aforesaid to the line of Terrace Drive and on sewer right of way along the dividing line between Lots 46 and 47 and along the southerly line of Lot 91 in said Plan from Navahoe Drive to Terrace Drive with branch sewers on the east and west sides of Terrace Drive from Navahoe Drive to the south end of Terrace Drive and on the east side of Terrace Drive from Navahoe Drive to the west line of Lot No. 34 in said Plan with a branch sewer on the south side of Atlantic Avenue from Terrace Drive to the east line of Lot 29 in Hoodridge Plan #2, providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 757, November 19, 1928)
- 7-110.** Authorizing the construction of sanitary sewers along the northerly and southerly sides of Beverly Road in said Township from Cochran Road to the westerly end of Beverly Road, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 767, January 28, 1929)
- 7-111.** Authorizing the construction of an eight-inch (8") sanitary sewer in Rockwood Avenue in said Township from its intersection with the present sewer near Ridgeway Avenue to Atlantic Avenue and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 799, March 25, 1929)

- 7-112.** Authorizing the construction of a storm sewer in Beverly Road in said Township and through private property to a point on the Dormont Borough line in McFarland Road and providing for the ascertainment and assessment of the benefits and damages accruing to abutting property owners thereby. (Ordinance 800, March 25, 1929)
- 7-113.** Authorizing the construction of a storm sewer in said Township from the present storm sewer in Hilf Street through private property and along Cypress Alley to connect with the present storm sewer in Lot 859 in Avondale Plan, and providing for the ascertainment and assessment of the benefits and damages accruing to abutting property owners thereby. (Ordinance 801, March 25, 1929)
- 7-114.** Authorizing the construction of sanitary sewers along both sides of Dixon Avenue in said Township from line of Parker Gardens Plan to Overlook Drive and in Overlook Drive from line of Parker Gardens Plan to line of Anna M. Kennedy; also a branch sewer on sewer right of way through Lots 5 and 4 in Oakridge Manor Plan to connect with trunk sewer on property of Anna M. Kennedy with branch sewer on the west side of Glade Street from the present sewer to Dixon Avenue; also sanitary sewer in Meadowcroft Avenue from the present sewer to Shadowlawn Avenue with branch sewers on both sides of Shadowlawn Avenue throughout and on the east side of Ridgefield Avenue from line of Parker Gardens to the north end of said street, with branch sewer through the rear of Lot 26 in Oakridge Manor Plan to connect with the present trunk sewer near Shadowlawn Avenue; also branch sewer on both sides of Morrison Avenue from the present sewer in Parker Gardens Plan to the northerly end of Morrison Avenue, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 805, March 25, 1929)
- 7-115.** Authorizing the construction of a sanitary sewer along the northerly and southerly sides of Sunnyhill Drive in said Township from its intersection with the property of J.C. Roush to connect with the present sewer in said Sunnyhill Drive near the westerly line of Lot No. 1 in Sunnyhill Plan of Lots, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 811, April 22, 1929)
- 7-116.** Authorizing the construction of a trunk sanitary sewer from points in Mt. Lebanon Township at the end of the present sewers in Seminole Hills Plan, Beverly Heights Plan and the Cedar Boulevard Disposal Plant; thence by way of Painters Run Valley through and over private lands along Bower Hill Road to Chartiers Creek in Upper St. Clair Township and providing for the ascertainment of the damages, if any, which may accrue by reason of the construction of said sewer through the property as aforesaid. (Ordinance 814, April 28, 1929)
- 7-117.** Authorizing the construction of a sanitary sewer along the rear line of Lots 76 to 109 in the Rockwood Plan of Lots and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 834, June 17, 1929)

- 7-118.** Authorizing the construction of a sanitary sewer along the rear line of Lots 186 to 209, inclusive, in the Rockwood Plan of Lots and thence along Walnut Street to connect with the existing sewer and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 863, November 18, 1929)
- 7-119.** Authorizing the construction of sanitary sewers in said Township from the present trunk sewer in property of S. Vujnovic; thence through property of S. Vujnovic, to connect with sanitary sewer in Cedar Boulevard, also trunk sanitary sewer from the present trunk sewer in property of A. & A. Koch through property of said A. & A. Koch to connect with sewer in Gilkeson Road, and providing for the ascertainment and assessment of the benefits and damages accruing to abutting property owners thereby. (Ordinance 866, December 16, 1929)
- 7-120.** Authorizing the construction of a sanitary sewer along Mayfair Drive in said Township from its intersection with Washington Road to the westerly end thereof with branch sewers along the dividing line between Lots 101 and 102 in Washington Park Plan No. 2, and on sewer right of way along the rear of Lots 88 to 101 in said Plan, with branch sewer from Mayfair Drive on sewer right of way along the westerly line of Lot 88 and through property of Washington Park Land Company; thence through property of R.H. Uhlinger, Maimie M. Prince and property of J.M. Ryan to connect with the present trunk sewer, and providing for the assessment of the costs, damages and expenses thereof upon the abutting property owners specially benefited thereby. (Ordinance 867, December 16, 1929)
- 7-121.** Authorizing the construction of a sanitary sewer in Beadling Road in said Township from the property line of T. Haughlin to the corner of Beadling Road and Cedar Boulevard and thence along Cedar Boulevard to connect with trunk sewer, with branch sewers through property of Beverly School Land Company, from the above sewer to Seneca Drive, with branch sanitary sewer on Seneca Drive from Audit Way to Markham Drive; with branch sewer on Markham Drive throughout; on Purchase Place throughout; on Altadena Drive from Markham Drive to the easterly property of Beverly School Plan; also a branch sewer in sewer right of way along the rear line of Lots 92 to 136, inclusive, in Beverly School Plan; with a branch sewer on right of way from Seneca Drive to Markham Drive between Lots 82, 83, 43, and 44; with branch sewer in right of way along the rear of Lots 38 to 50 in said Plan; with a branch sewer in right of way along the northerly line of Lot 92 in said Plan; with a branch sewer through property of Beverly School Land Company from Seneca Drive to connect with trunk sewer in property of A. & A. Koch; also branch sewer from Seneca Drive over right of way between Lots 112 and 113 in said Plan and thence over property of Beverly School Land Company to connect with sewer in Cedar Boulevard, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 868, December 16, 1929)
- 7-122.** Authorizing the construction of a sanitary sewer along Rockwood Avenue in said Township from its intersection with Mt. Lebanon Boulevard to the property of the Beverly Heights United Presbyterian Church to connect with the present trunk sewer, and providing for the assessment of the costs, damages, and expenses thereof upon the abutting property owners specially benefited thereby. (Ordinance 878, April 14, 1930)

- 7-123.** Authorizing the construction of a sanitary sewer along Terrace Drive, Michigan Drive, Pueblo Drive, Navahoe Drive, over sewer rights of way in the Seminole Terrace Plan No. 2, through the property of Christian I. Shannon, P.W. Algeo Estate, J.H. Downing and Elsie Fischer, and to connect with the present trunk sewer, and providing for the assessment of the costs, damages, and expenses thereof upon the abutting property owners, specially benefited thereby. (Ordinance 879, April 14, 1930)
- 7-124.** Authorizing the construction of a sixty-inch (60") storm sewer along Cedar Boulevard from its intersection with the westerly line of Cochran Road to its intersection with the easterly line of the park property of the Township of Mt. Lebanon, and the construction of a fifteen-inch (15") sanitary sewer on said Cedar Boulevard along and adjacent to said storm sewer, from the intersection of said Cedar Boulevard with the westerly line of Cochran Road to its intersection with the westerly line of Hollycrest Drive in the center of said intersection, providing for the assessment of the costs, damages and expenses thereof upon the abutting property owners specially benefited thereby. (Ordinance 881, April 14, 1930)
- 7-125.** Authorizing the construction of a storm sewer along Brucewood Drive from the southerly line of Lot No. 225 to the southerly line of Lot No. 217 in the Mission Hills Plan of Lots and with necessary branch sewer in accordance with the Acts of Assembly of the State of Pennsylvania. (Ordinance 883, May 19, 1930)
- 7-126.** Authorizing the construction of a sanitary sewer along Atlantic Avenue in said Township from its intersection with the easterly side of Vermont Avenue to a point in the center of Virginia Avenue if projected across Atlantic Avenue and along Kentucky Avenue from the northerly side of Atlantic Avenue to the northerly side of Walnut Street, with necessary branch sewers to connect with present trunk sewer, and providing for the assessment of costs, damages and expenses thereof upon the abutting property owners specially benefited thereby. (Ordinance 884, May 19, 1930)
- 7-127.** Authorizing the construction of a storm sewer along right of way over and across Lots Nos. 141 to 145, both inclusive, in the Rockwood Plan of Lots in said Township, in accordance with the Acts of Assembly of the State of Pennsylvania. (Ordinance 885, May 19, 1930)
- 7-128.** Authorizing the construction of a sanitary sewer along Crystal Drive, in said Township, from line dividing Lots No. 789 and No. 790 in the Sunset Hills Plan of Lots No. 3, thence along the easterly side of Crystal Drive in a southerly direction to Castle Shannon Boulevard; thence along the northerly side of Castle Shannon Boulevard to line dividing the Sunset Hills Plan of Lots No. 3 and property of the Arlington Camp Meeting Association; thence across Castle Shannon Boulevard to connect with existing sanitary sewer, and providing for the assessment of the costs, damages and expenses thereof upon the abutting property owners specially benefited thereby. (Ordinance 893, July 14, 1930)
- 7-129.** Authorizing the construction of a storm sewer in Cedar Boulevard and Mt. Lebanon Township Park property from the end of the existing storm sewer to the southerly side of Park Entrance Drive. (Ordinance 901, June 30, 1930)

- 7-130.** Authorizing the construction of a sanitary sewer along McCully Street from the westerly line of the Urban Plan to the easterly side of Cochran Road to connect with the present trunk sewer, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 904, December 1, 1930)
- 7-131.** Authorizing the construction of a sanitary sewer along Vallevista Avenue in said Township, between Whitmore Avenue and Hoodridge Drive, to connect with the present trunk sewer, and providing for the assessment of the costs, damages, and expenses thereof upon the abutting property owners specially benefited thereby. (Ordinance 905, December 1, 1930)
- 7-132.** Authorizing the construction of a sanitary sewer along Anawanda Avenue, between Ross Way and Questend Avenue with branch sewers along Tampa Avenue; along Craig Court; along Parkside Avenue; along Questend Avenue; along the dividing line between Lots Nos. 3 and 4, Craig Manor Plan and over sewer right of way across the rear of Lots Nos. 4 and 5 in said Plan to a point on Lot No. 6, to connect with existing sanitary sewer. (Ordinance 906, December 1, 1930)
- 7-133.** Authorizing the construction of a storm sewer from the easterly side of Poplar Drive at the present existing storm sewer to a point approximately the center of the rear line of Lot No. 853 in the Avondale Plan. (Ordinance 907, December 15, 1930)
- 7-134.** Authorizing the construction of a sanitary sewer in Cedar Boulevard in said Township from its intersection with the present trunk sewer south a distance of 353 feet, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 917, May 18, 1931)
- 7-135.** Authorizing the construction of a storm sewer from Cedar Boulevard in Cochran Road and Ashley Alley through private property to Lebanon Avenue; also the construction of a sanitary sewer from Cedar Boulevard in Cochran Road and through private property to connect with the present sanitary sewer in Atlanta Drive, and providing for the ascertainment and assessment of benefits and damages resulting therefrom. (Ordinance 931, September 21, 1931)
- 7-136.** Authorizing the reconstruction of a storm sewer from a point in Cochran Road 200 feet north of Beverly Road in Cochran Road and in Beverly Road to intersect with sewer in Marlin Drive West. (Ordinance 940, January 28, 1932)
- 7-137.** Authorizing the construction of a storm sewer in Washington Road and Mt. Lebanon Boulevard in said Township from existing storm sewer at the line of Lots 32 and 33 in Seminole Hills Plan to a point in Mt. Lebanon Boulevard at its intersection with Washington Road. (Ordinance 947, March 7, 1932)
- 7-138.** Authorizing the construction of an eight-inch (8") sanitary sewer in said Township from the present sewer in Lindenwood Avenue at the dividing line between Lots 187 and 188 in Sunset Hills Plan No. 2 through private property to intersect with existing trunk sewer, and

providing for the ascertainment and assessment of benefits and damages resulting therefrom upon abutting property owners benefited thereby. (Ordinance 948, March 7, 1932)

- 7-139.** Authorizing the construction of a sanitary sewer in Summit Alley in said township from its intersection with the present sewer in Baywood Avenue through private property to the dividing line between Lot 308 in Clearview Plan and Lot 33 in Mt. Lebanon School Plan and providing for the ascertainment and assessment of the benefits and damages resulting therefrom. (Ordinance 954, September 12, 1932)
- 7-140.** Authorizing the construction of a storm sewer in said Township from its intersection with the existing storm sewer at the north end of Lavina Avenue, thence through private property of B.L. Schmid and Austin L. Bailey et al., to Martin Avenue to connect with the present existing storm sewer in Martin Avenue, and providing for the ascertainment and assessment of the benefits and damages resulting therefrom. (Ordinance 957, January 13, 1933)
- 7-141.** Authorizing the construction of a storm sewer from existing sewer in Cornell Place in said Township; thence in Cornell Place and through property of Ann Harris to connect with the existing storm sewer at the rear line of Lots 115 and 116 in Avondale Plan of Lots, and providing for the ascertainment and assessment of benefits and damages resulting therefrom. (Ordinance 958, January 9, 1933)
- 7-142.** Authorizing the construction of a sanitary sewer in Gilkeson Road in said Township from a point thirty (30) feet northwest of the dividing line between property of Pauline Vanzin et vir. and Clarence G. Aitken et ux., to intersect with the existing ten-inch (10") sewer in property of August and Anna Koch, and providing for the assessment of costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 965, May 15, 1933)
- 7-143.** Authorizing the construction of a sanitary sewer along the north side of Hoodridge Drive in said Township from a point eight-five (85) feet west of the westerly line of Lot No. 20 in Hoodridge Plan No. 2 to connect with the existing sewer along the easterly line of Terrace Drive, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 966, June 12, 1933)
- 7-144.** Authorizing the construction of a storm sewer in Coolidge Avenue, Rae Avenue and Mapleton Avenue in said Township from the existing storm sewer in Coolidge Avenue, thence along Coolidge Avenue, Rae Avenue and Mapleton Avenue to connect with the existing storm sewer in Mapleton Avenue. (Ordinance 967, July 10, 1933)
- 7-145.** Authorizing the construction of storm sewers in McFarland Road from the present storm sewer opposite Dormont Park to Dell Avenue; in Cochran Road, Altoona Place and Mapleton Avenue and in Castle Shannon Boulevard and through private property to connect with the existing storm sewer as fully described hereinafter; providing for the ascertainment and assessment of the benefits and damages resulting therefrom where the same is constructed through private property and providing for the payment of the costs thereof out

of the proceeds of bond issue and federal grant for such purposes. (Ordinance 986, June 11, 1934)

- 7-146.** Authorizing the construction of a storm water sewer from Morrison Drive in said Township through private property to connect with existing storm sewer in property of Fred K. Becker and Elizabeth Becker, and providing for the ascertainment and assessment of benefits and damages accruing to abutting property owners thereby. (Ordinance 991, September 10, 1934)
- 7-147.** Appropriating a right of way upon which to maintain and operate a storm water sewer through private property in said Township extending from Beverly Road to a point on the Dormont Borough line in McFarland Road and providing for the ascertainment and assessment of the benefits and damages accruing to abutting property owners thereby and repealing conflicting ordinances. (Ordinance 992, November 26, 1934)
- 7-148.** Authorizing the construction of a sanitary sewer from the present sewer in Mayfair Drive through Lot 102 in Washington Park Plan to connect with existing sewer in the right of way along the rear of said lot and directing the abandonment of the existing sewer along the dividing lines between Lots 101 and 102 in said Plan. (Ordinance 1010, December 9, 1935)
- 7-149.** Authorizing the construction of an eight-inch (8") sanitary sewer in Cedar Alley in said Township from the dividing line between lot Nos. 30 and 31 in the Willow Terrace Plan to the southerly line of said Plan and thence through private property to Academy Place, and to connect with the present sewer in Cedar Boulevard, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1021, May 11, 1936)
- 7-150.** Authorizing an agreement between the Township of Mt. Lebanon and the Borough of Dormont for the abandonment of the sanitary sewer constructed in Dormont Park passing underneath the swimming pool, the relocation and reconstruction of said sanitary sewer and providing for the use, cost of construction and maintenance of said sewer as relocated and reconstructed. (Ordinance 1025, November 9, 1936)
- 7-151.** Abandoning a certain portion of a sanitary sewer heretofore constructed by the Township of Mt. Lebanon through certain lots in the Central Place Plan of Lots in said Township. (Ordinance 1052, September 13, 1937)
- 7-152.** Authorizing the construction of an eight-inch (8") sanitary sewer along the westerly line of Longridge Drive in said Township from its intersection with the southerly line of Academy Avenue to its intersection with the existing sewer in Cedar Boulevard, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1061, December 13, 1937)
- 7-153.** Authorizing the construction of a ten-inch (10") sanitary sewer from the westerly line of property of A.G. Smith through same to connect with the existing sanitary sewer of said Township. (Ordinance 1064, February 28, 1938)

- 7-154.** Authorizing the construction of an eight-inch (8") sanitary sewer in the sidewalk space along the northerly side of Alfred Street in said Township, from a manhole to be constructed at or near the dividing line between the property of Harry I. Neaman and A.C. Teplitz and property now or late of Elinor Harris; thence eastwardly to a manhole to be constructed in the existing eight-inch (8") Township sewer on Park Alley in said Township, and providing for the assessment of costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1065, February 28, 1938)
- 7-155.** Authorizing the construction of an eight-inch (8") sanitary sewer along the northwesterly line of Briarwood Avenue in said Township from the existing sewer at the northeasterly line of Broadmoor Avenue to its intersection with the dividing line between Lots Nos. 642 and 643 in Sunset Hills Plan No. 3, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1080, June 20, 1938)
- 7-156.** Authorizing the construction of an eight-inch (8") sanitary sewer along right of way for public utilities in the plan of Cedarhurst Manor Addition, from the dividing line between Lots 236 and 237 in said Plan to the southerly line of Lot 248, and thence along right of way in the southerly portion of Lots 151 and 152 in Cedarhurst Manor Plan to connect with the existing Township sewer, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1089, August 8, 1938)
- 7-157.** Authorizing the construction of an eight-inch (8") sanitary sewer along the northwesterly line of Crystal Drive in said Township from a point five (5) feet northwardly from the dividing line between Lots 835 and 836 in Sunset Hills Plan No. 3; thence southwestwardly approximately five hundred (500) feet to a point five (5) feet southwestwardly from the dividing line between Lots 826 and 827 in said Plan of Sunset Hills No. 3 and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1096, October 10, 1938)
- 7-158.** Authorizing the construction of a sanitary sewer in Pinewood Drive and Firwood Drive in said Township along the line of Aster Lane and through private property of the Cedarhurst Manor Land Company and in rights of way for public utilities in the rear of Lots Nos. 68 to 73, inclusive, in Cedarhurst Manor Plan of Lots, and in Lakemont and Larchdale Drives as hereinafter described, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1104, January 10, 1939)
- 7-159.** Authorizing the construction of an eight-inch (8") sanitary sewer along the easterly side of Summer Place, from the dividing line between Lots Nos. 215 and 216 in Cedarhurst Manor Addition to the line of Aster Lane; and thence in Aster Lane to connect with the existing sewer near the rear line of Lot No. 241 in said Plan, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1134, May 8, 1939)

- 7-160.** Authorizing the construction of a sanitary sewer in right of way for public utilities in the rear of Lots 137 to 150-A, inclusive, in Cedarhurst Manor Plan of Lots extending from the existing Township sewer at the rear of Lot 150-A in said Plan; thence along said right of way to the line of Orchid Lane; thence in Orchid Lane to Lindendale Drive; thence in Lindendale Drive to the rear line of Lot 170 in said Plan; thence in right of way for public utilities along the rear of Lots 170 and 171 in Cedarhurst Manor Plan and along the rear of Lots 231 and 234, inclusive, in Cedarhurst Manor Addition Plan with an extension through private property of Cedarhurst Manor Land Company to connect with the existing Township sewer as hereinafter described; and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1143, August 11, 1939)
- 7-161.** Authorizing the construction of an eight-inch (8") sanitary sewer along the easterly line of Longridge Drive in said Township from its intersection with the southerly line of Academy Avenue to a point near the dividing line of Lots Nos. 137 and 138 in the Long Plan, with a branch sewer extending westwardly along the southerly line of Lot No. 142 in said Long Plan to connect with the existing sewer and with a branch sewer along the southerly line of Chalmers Place to the rear line of Lot No. 152 in said Long Plan; thence southwardly over and along the rear portions of Lots Nos. 152 to 161, inclusive, in said Long Plan; thence in Academy Avenue and along the southerly line of Academy Place to connect with the existing sewer; with a branch sewer from Chalmers Place northwardly along the rear of lots Nos. 150 to 146, inclusive; and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1144, September 11, 1939)
- 7-162.** Authorizing the construction of a trunk sanitary sewer from a point in Cochran Road in Mt. Lebanon Township at the end of the present sewers, thence by way of Scrubgrass Valley through and over private lands and along Scrubgrass Road and Washington Pike to Chartiers Creek in Scott Township; providing for the ascertainment and assessment of the benefits and damages resulting therefrom where the same is constructed through private property and providing for the payment of the costs, damages and expenses thereof. (Ordinance 1169, April 8, 1940) (For amendment to this ordinance, see Section 7-166.)
- 7-163.** Authorizing the construction of a trunk sanitary sewer from a point on the dividing line between Lots Nos. 301 and 302 in the Plan of Mission Hills No. 3, through and over private lands in said Township to connect with the existing trunk sewer on the dividing line between Mary E. Cooke et al., and the Pittsburgh Railways Company property; providing for the ascertainment and assessment of the benefits and damages resulting therefrom where the same is constructed through private property and providing for the payment of the costs, damages and expenses thereof. (Ordinance 1170, April 8, 1940)
- 7-164.** Authorizing the construction of a trunk sanitary sewer from a point in Fruithurst Drive at the intersection of Sleepy Hollow Road; thence by way of public streets and alleys and through and over private lands to connect with the existing trunk sewer in Saw Mill Run Valley in the Borough of Castle Shannon; providing for the ascertainment and assessment of the

benefits and damages resulting therefrom where the same is constructed through private property, and providing for the payment of the costs, damages and expenses thereof. (Ordinance 1171, April 8, 1940) (For ordinance amending this ordinance, see Section 9-167.)

- 7-165.** Authorizing the construction of an eight-inch (8") sanitary sewer along the northerly side of Fruithurst Drive in said Township, from Sleepy Hollow Road; thence westwardly in said Fruithurst Drive and through private property to the northerly line of R.M. Long property, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1182, May 13, 1940)
- 7-166.** Amending Ordinance 1169 of said Township, enacted the 8th day of April, 1940, by providing that a certain portion of the trunk sanitary sewer in Scrubgrass Valley watershed in said Township, as hereinafter described, shall be constructed entirely by the Township of Mt. Lebanon, and authorizing the advertisement for proposals for labor and material therefor, and the letting of a contract for the construction thereof, and providing further for the construction of the remaining portion of said sewer by joint contributions for labor and material by the Township and by the Works Progress Administration. (Ordinance 1186, May 27, 1940) (Ordinance 1169 is listed in Section 7-162.)
- 7-167.** Amending Ordinance No. 1171 of said Township, enacted the 8th day of April, 1940, by providing that a certain portion of the trunk sanitary sewer in Martin Valley watershed in said Township, as hereinafter described, shall be constructed entirely by the Township of Mt. Lebanon, and authorizing the advertisement for proposals for labor and material therefor, and the letting of a contract for the construction thereof, and providing further for the construction of the remaining portion of said sewer by joint contributions of labor and material by the Township and by the Works Progress Administration. (Ordinance 1187, May 27, 1940) (Ordinance 1171 is listed in Section 7-164.)
- 7-168.** Authorizing the construction of a storm sewer from a point in the center of Lot No. 286 in plan of Mission Hills No. 3; thence through and over private lands in said Township to connect with the existing storm sewer on the dividing line between property of Mary E. Cooke et al., and the Pittsburgh Railways Company; providing for the ascertainment and assessment of the benefits and damages resulting therefrom where the same is constructed through private property and providing for the payment of the costs, damages and expenses thereof. (Ordinance 1188, May 27, 1940)
- 7-169.** Authorizing the construction of a storm sewer from the intersection of Austin Avenue and Rosbury Place in said Township; thence along Rosbury Place to Parkview Drive and along Parkview Drive to the intersection of Parkview Drive and Summer Place; and providing for the payment of the costs and expenses thereof. (Ordinance 1189, May 27, 1940)
- 7-170.** Authorizing the construction of an eight-inch (8") sanitary sewer from the existing sewer in the rear of lot one hundred in Country Club Heights Plan No. 2 through private property, parallel to the south line of Fruithurst Drive, to the dividing line between property of Frank Gilius et ux., and Andrew J. Haag et ux., and providing for the assessment of the costs,

damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1204, August 12, 1940)

- 7-171.** Authorizing the construction of an eight-inch (8") sanitary sewer in Bower Hill Road in said Township, from the dividing line between Lots Nos. 62 and 63 in Willow Terrace Plan of Lots; thence eastwardly a distance of fifty (50) feet to a point; thence southwardly through Lot No. 62 one hundred fifteen (115) feet more or less to a manhole at the rear line of Lot No. 62, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1212, September 16, 1940)
- 7-172.** Authorizing the construction of an eight-inch (8") sanitary sewer in Sunset Drive in said Township, from the end of the existing sewer approximately one hundred sixty (160) feet westwardly from Sleepy Hollow Road; thence along the southerly side of Sunset Drive to a point near the intersection of the west line of Catalpa Place and along the north line of Sunset Drive to a point ninety-five (95) feet east of the east line of Catalpa Place, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1227, October 14, 1940)
- 7-173.** Authorizing the construction of a sanitary sewer in North Meadowcroft Avenue in said Township, from a point near the intersection of Lots Nos. 13 and 14 in Twin Hills Plan; thence southwardly along the westerly line of North Meadowcroft Avenue to a point near the dividing line between Lots Nos. 42 and 43 in said Plan; thence on both the easterly and westerly sides of said street southwardly to the dividing line of Twin Hills Plan and Kennedy Forest Plan No. 2; thence in Oak Forest Drive and through property of Ella F. Kennedy to connect with the existing Township sewer, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1228, December 9, 1940)
- 7-174.** Authorizing the construction of an eight-inch (8") sanitary sewer through private property of Kate E. Algeo, Christian I. Shannon and Bridgeville Lumber Company and in right of way for public utilities along the rear of Lots Nos. 20 to 35, inclusive, in Hoodridge Terrace Plan and along the northerly and westerly sides of Woodland Drive in said Plan from Ridgeview Drive to Terrace Drive, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1229, December 9, 1940)
- 7-175.** Authorizing the construction of a sanitary sewer in Ridgedale Street in said Township, from its intersection with the existing sewer in Kewanna Avenue to Vermont Avenue and thence along the southerly line of Vermont Avenue to connect with the sanitary sewer from Stephen C. Foster School, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1230, December 9, 1940)
- 7-176.** Authorizing the construction of an eight-inch (8") sanitary sewer in Arden Road in said Township, from its intersection with Cochran Road to the westerly end of said Arden Road,

with a branch sewer extending in sewer right of way between Lots Nos. 26 and 27 in Castle Plan of Lots from Arden Road to Scrubgrass Road; and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1235, January 13, 1941)

- 7-177.** Authorizing the construction of an eight-inch (8") sanitary sewer in Vernon Drive in said Township from the dividing line between Lots Nos. 24 and 25 in Lynnwood Park Plan to the westerly end of said Vernon Drive; thence through private property to connect with the Township sewer in Cedar Boulevard and with branch sewers in sewer right of way and through private property as hereafter described, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1237, February 10, 1941)
- 7-178.** Authorizing the construction of a storm sewer in Parker Drive and Layton Avenue to connect with the existing storm sewer at the intersection of Parker Drive and Beverly Road in said Township. (Ordinance 1267, November 17, 1941)
- 7-179.** Authorizing the construction of a storm water sewer from the existing sewer in Country Club Drive through private property as hereinafter described to a point in property of Country Club Heights Company one hundred (100) feet east from the easterly line of Lot No. 191 in plan of Country Club Heights No. 2, and providing for the ascertainment and assessment of benefits and damages accruing to abutting property owners thereby, and providing for payment of costs thereof out of general funds of said Township. (Ordinance 1268, December 8, 1941)
- 7-180.** Authorizing the construction of a storm water sewer from the existing sewer in Mission Hills Drive through private property as hereinafter described to connect with the existing storm water sewer in Lot No. 263 in Mission Hills Plan in said Township, and providing for the ascertainment and assessment of benefits and damages accruing to abutting property owners thereby, and providing for the payment of the costs thereof out of general funds of said Township. (Ordinance 1280, June 8, 1942)
- 7-181.** Authorizing the construction of an eight-inch (8") sanitary sewer on the southeast side of Richland Road in said township from a point northwest of the dividing line between properties of Ralph L. Runger et ux., and Robert T. Romig et ux., thence to Lindenwood Avenue; and thence along the northwest side of Lindenwood Avenue to connect with the existing Township sewer, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1292, August 9, 1943)
- 7-182.** Authorizing the construction of a storm sewer from a point in Lot No. 79 in Kennedy Forest Plan No. 2 near Oak Forest Drive through private property as hereinafter described to a point in Lot 34 in said Plan near the dividing line of Mt. Lebanon Township and Scott Township, and providing for the ascertainment and assessment of benefits and damages accruing to

abutting property owners thereby, and providing for the payment of the cost thereof out of bond funds of said Township. (Ordinance 1297, December 13, 1943)

- 7-183.** Authorizing the construction of a storm sewer from Cornell Place in said Township; thence in the right of way of the Pittsburgh Railways Company and through private property of Carl M. Buckheit and Kathryn Buckheit and Jane Wells Craven to the existing storm sewer near Castle Shannon Boulevard; providing for the ascertainment, assessment, and collection of benefits and damages accruing to abutting property owners thereby, for the appropriation of a right of way therefor, for the payment of the cost thereof out of bond funds of said Township, and making an appropriation therefor. (Ordinance 1300, March 13, 1944)
- 7-184.** Authorizing the construction of a storm sewer from Woodhaven Drive in said Township; thence through private property of David E. Weitz and Hilda Weitz, his wife, and Edgar W. Meyers, Jr., and Orca G. Meyers, his wife, to a point in property of Edgar W. Meyers, Jr., and Orca G. Meyers, his wife; providing for the payment of the cost thereof out of bond funds of said Township and making an appropriation therefor. (Ordinance 1301, June 12, 1944)
- 7-185.** Authorizing the construction of a storm sewer in Baywood Avenue in said Township from Ashley Alley to the existing storm sewer in Mabrick Avenue and catch basins in the existing storm sewers at the corner of Mabrick and Baywood Avenues, at the corner of Baywood and Summit Alley, and in Atlanta Drive; providing for the payment of the cost thereof out of bond funds of said Township and making an appropriation therefor. (Ordinance 1304, July 10, 1944)
- 7-186.** Authorizing the construction of a trunk sanitary sewer in said Township from the easterly end of the existing Township sanitary sewer as established by Ordinance No. 1229; thence through private property of Hoodridge Terrace Land Company, L.M. Molnar and Loretta Molnar, his wife, and Charles E. Hermany and Elizabeth Hermany, his wife, to a point on the dividing line between property of L.W. Molnar et al., and the Hoodridge Terrace Addition Plan of Lots, providing for the payment of the cost thereof out of contributions from said property owners and bond funds of said Township and making an appropriation therefor. (Ordinance 1319, November 26, 1945) (Ordinance 1229 is listed in Section 7-174.)
- 7-187.** Authorizing and directing the proper officers of said Township to execute a contract with the Allegheny County Sanitary Authority in order to comply with the order of the Sanitary Water Board of the Commonwealth of Pennsylvania. (Ordinance 1351, August 12, 1946)
- 7-188.** Authorizing the construction of a sanitary sewer in State Highway Route L.R. 02060 in said Township from the dividing line between Lots Nos. 18 and 19 in Valleyview Plan; thence eastwardly to the intersection of Iroquois Boulevard; and thence in Iroquois Boulevard northeastwardly to the existing sewer near the intersection of lot Nos. 194 and 195 in Seminole Hills Plan, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1360, December 9, 1946)

- 7-189.** Authorizing the construction of an eight-inch (8") sanitary sewer from existing sewer in Lindendale Drive in right of way for public utilities and in right of way through property of Cedarhurst Manor Land Company to manhole at the rear of Lot No. 126 in Cedarhurst Manor Plan, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1377, July 14, 1947)
- 7-190.** Authorizing the construction of a storm sewer from the end of the existing storm sewer in said Township in right of way through Lot No. 837 in the Avondale Plan of Lots; thence southwardly in said right of way to a point in LeMoyne Avenue, providing for the payment of the cost thereof out of bond funds of said Township and making an appropriation therefor. (Ordinance 1378, July 14, 1947)
- 7-191.** Authorizing the construction of sanitary sewer in Segar Road in said Township from the existing sanitary sewer in Scrubgrass Road to a point one thousand three hundred (1,300) feet south therefrom in said Segar Road, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1383, August 11, 1947)
- 7-192.** Authorizing the construction of an eight-inch (8") sanitary sewer in Beadling Road and Seneca Drive in said Township from the existing sewer to a point on the dividing line between Lots 8 and 9 in the Beverly Grove Plan; and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1385, August 25, 1947)
- 7-193.** Authorizing the construction of a storm sewer in Salem Drive, Chalmers Place, and over a private right of way in Lots Nos. 100 to 111, inclusive, in Willow Terrace Plan and in private right of way in Lots Nos. 91 to 95, inclusive, in said Plan; and thence in Salem Drive and through Lot No. 3 in Willow Terrace Plan to connect with existing storm sewer in Cedar Boulevard; and also a ten-inch (10") sanitary sewer in right of way through Lots Nos. 100 to 111, inclusive, and 91 to 95, inclusive, in Willow Terrace Plan and in Salem Drive to connect with existing sanitary sewer in Cedar Alley in said Township; providing for the payment of the cost thereof out of bond funds of said Township, and making an appropriation therefor. (Ordinance 1386, September 29, 1947)
- 7-194.** Authorizing the construction of an eight-inch (8") sanitary sewer in Fruithurst Drive in said Township from the end of the present sewer to the northeasterly line of Lot No. 189 in Sunset Hills Plan, and in Jonquil Place from its intersection with the above sewer in Fruithurst Drive to a point fifty (50) feet south of the south line of Lot No. 190 in Sunset Hills Plan; and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1412, May 10, 1948)
- 7-195.** Authorizing the construction of a sanitary sewer in said Township beginning from its intersection with the existing Township sewer in property of Katherine A. Simmonds and John W. Simmonds; thence through said property and property of Irene Rita Meyer and John A. Meyer to the northerly line of Abbeyville Road, and providing for the assessment of the

costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1439, February 14, 1949)

- 7-196.** Authorizing the construction of an eight-inch (8") sanitary sewer in the westerly sidewalk space of Willow Drive in said Township from its intersection with the existing sewer in Chalmers Place to a point two hundred ten (210) feet southeastwardly therefrom, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1440, February 14, 1949)
- 7-197.** Authorizing the construction of a storm sewer in Mt. Lebanon Park from the end of the existing seventy-two-inch (72") sewer in said Park; thence extending southwardly for a distance of five hundred (500) feet, providing for the payment of the cost thereof, and making an appropriation therefor. (Ordinance 1444, March 14, 1949)
- 7-198.** Authorizing the construction of an eight-inch (8") sanitary sewer in said Township through private property from the dividing line between Lots Nos. 812 and 813 in Sunset Hills Plan No. 3; and thence northwardly across the rear of Lots Nos. 813 to 823, inclusive, with a branch eight-inch (8") sewer from a point near the rear line of Lot No. 819 through property of the Baptist Orphanage and Home Society to intersect with the existing sewer in right of way at the rear of Lot No. 6 in Craig Manor Plan, appropriating a right of way therefor, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1453, June 27, 1949)
- 7-199.** Authorizing the construction of a storm sewer in Ashland Avenue, Poplar Drive, across Pennsylvania Boulevard and right of way of Pittsburgh Railways Company, and through private property of V.J. McColligan, J.R. O'Baczewski, and Israel Greenburger, extending from the existing sewer in Ashland Avenue near the dividing line of Lots Nos. 556 and 555 in Avondale Plan to connect with existing sewer near the center of rear line of Lot No. 822 in Avondale Plan, appropriating a right of way for a portion thereof, and providing for the payment of the costs thereof out of bond funds of said Township, and making an appropriation therefor. (Ordinance 1457, August 8, 1949)
- 7-200.** Authorizing an agreement with the City of Pittsburgh and the Allegheny County Sanitary Authority providing for sewage treatment and disposal service and imposing charges therefor. (Ordinance 1472, October 10, 1949)
- 7-201.** Authorizing the construction of a storm sewer along the northerly side of Lavina Avenue in said Township from Church Place to the easterly end of Lavina Avenue, providing for the payment of the cost thereof and making an appropriation therefor. (Ordinance 1475, November 14, 1949)
- 7-202.** Authorizing the construction of a storm sewer in Scott Road in said Township from its intersection with the existing sewer in Castle Shannon Road and through private property to connect with the existing sewer in Parkside Avenue; providing for the payment of the cost thereof and making an appropriation therefor. (Ordinance 1491, February 13, 1950)

- 7-203.** Authorizing the construction of an eight-inch (8") sanitary sewer from its intersection with the existing sewer in Lindendale Drive through rights of way for public utilities in the Cedarhurst Manor Plan of Lots and in certain portions of Lakemont Drive and Firwood Drive as hereinafter fully set forth, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1494, February 27, 1950)
- 7-204.** Authorizing the construction of a storm sewer over, through and in Lots Nos. 200 to 221, inclusive, in Beverly Heights Plan of Lots No. 2 and through the rear of Lots Nos. 163 and 164 in Beverly Heights Plan No. 1 from the end of the existing sewer in property of Orca G. Meyers to connect with the existing sewer in the rear of Lot No. 164 in Beverly Heights Plan No. 1, providing for the ascertainment, assessment and collection of benefits and damages accruing to abutting property owners thereby, for the appropriation of a right of way therefor, for the payment of costs thereof and making an appropriation therefor. (Ordinance 1497, March 13, 1950)
- 7-205.** Authorizing the construction of an eight-inch (8") sanitary sewer along the easterly line of Lindendale Drive from a point ten (10) feet south of the dividing line between Lots Nos. 161 and 162 in Cedarhurst Manor Plan of Lots to intersect with the existing sewer near the dividing line between Lots Nos. 168 and 169 in said Plan, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1498, April 10, 1950)
- 7-206.** Authorizing the construction of an eight-inch (8") sanitary sewer in said Township in right of way for public utilities in the Cedarhurst Manor Plan of Lots and through property of Cedarhurst Manor Land Company from its intersection with the existing sewer in Aster Lane to a point ten (10) feet south of the dividing line between Lots Nos. 99 and 100 in said Plan as hereinafter fully set forth, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1499, April 10, 1950)
- 7-207.** Authorizing the construction of an eight-inch (8") sanitary sewer in Lakemont Drive from its intersection with the existing sanitary sewer in Aster Lane to a point ten (10) feet south of dividing line between Lots Nos. 83 and 84 in Cedarhurst Manor Plan of Lots, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1500, April 10, 1950)
- 7-208.** Authorizing the construction of an eight-inch (8") sanitary sewer from its intersection with the existing sewer in Greenhurst Drive in the Cedarhurst Manor Plan of Lots in said Township near the dividing line between Lots Nos. 176 and 177 in said Plan to a point ten (10) feet west of the dividing line between Lots Nos. 181 and 182 in said Plan, as hereinafter fully set forth, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1501, April 10, 1950)

- 7-209.** Authorizing the construction of an eight-inch (8") sanitary sewer in rights of way for public utilities in the Cedarhurst Manor Plan and in certain portions of Lakemont Drive and in Rose Lane in said Township from the south line of Lot No. 1 to the north line of Lot No. 20 as hereinafter fully set forth, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1502, April 10, 1950)
- 7-210.** Authorizing the construction of an eight-inch (8") sanitary sewer from its intersection with the existing sewer in Lindendale Drive to a point ten (10) feet north of the dividing line between Lots Nos. 159 and 160 in Cedarhurst Manor Plan of Lots in said Township as hereinafter fully set forth, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1503, April 10, 1950)
- 7-211.** Authorizing the construction of a storm sewer in Hilf Street in said Township from Castle Shannon Road southwardly to the existing storm sewer, providing for the payment of the cost thereof, and making an appropriation therefor. (Ordinance 1518, August 28, 1950)
- 7-212.** Authorizing the construction of an eight-inch (8") sanitary sewer in said Township beginning at a point five (5) feet west of the easterly line produced of Lot No. 50 in Arlington Camp Meeting Association Plan of Lots and twenty-three and one-half (23½) feet southerly from the south line of Lot No. 50 in said Plan; thence through private property as hereinafter described to connect with the existing sanitary sewer of said Township in Thornwood Drive Extension, appropriating a right of way therefor, and providing for the ascertainment, assessment, and collection of the costs, benefits, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1519, August 28, 1950)
- 7-213.** Authorizing the construction of a storm sewer over, through and in an unnamed fifty (50) foot street, the property of Grace McConnell, Evelyn B. McCarthy and Irene Mae Burns, and Edward Aston and Sadie L. Aston, his wife, from the existing sewer inlet in Seneca Drive to connect with the existing storm sewer in Cedar Boulevard, providing for the ascertainment, assessment, and collection of benefits and damages accruing to abutting property thereby, for the appropriation of a right of way therefor, for the payment of costs thereof, and making an appropriation therefor. (Ordinance 1527, February 12, 1951) (For amendment to this ordinance, see Section 7-219.)
- 7-214.** Authorizing the construction of an eight-inch (8") sanitary sewer in said Township from its intersection with the existing sanitary sewer in Chalmers Place through Lots Nos. 68, 69, 78, 79, 62 and 65 in Willow Terrace Plan and through property of George L. Clatty and Ward Home for Children to a point in Moffett Street, appropriating a right of way therefor and providing for the ascertainment, assessment, and collection of the costs, benefits, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1529, February 26, 1951)

- 7-215.** Authorizing the construction of a twelve-inch (12") sanitary trunk sewer in Robb Hollow Road in the Township of Mt. Lebanon from the intersection of Robb Hollow and Kelso Roads through private property as hereinafter described and in Robb Hollow Road to a point on the northerly side of Bower Hill Road near the dividing line of property of William Zama and M.S. Barkley with eight-inch (8") branch sewers through private property as hereinafter described, appropriating a right of way therefor and providing for the ascertainment, assessment and collection of the costs, benefits, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1538, October 1, 1951)
- 7-216.** Authorizing the construction of a storm sewer in Parkside Avenue in said Township from Richland Road to Broadmoor Avenue with necessary catch basins and providing for the payment of the costs thereof, and making an appropriation therefor. (Ordinance 1539, October 1, 1951)
- 7-217.** Authorizing the construction of an eight-inch (8") sanitary sewer in Cedar Boulevard in said Township from the intersection of the southwesterly line produced of Cedar Plan of Lots at the line of property of Chris Grimm, Jr.; thence in a northeasterly direction in said Cedar Boulevard for a distance of six hundred seventy-eight and five one-hundredths (678.05) feet as hereinafter fully set forth, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1541, October 22, 1951)
- 7-218.** Authorizing the construction of a sanitary sewer in Main Entrance Drive in said Township from a manhole near the dividing line between Lots Nos. 54 and 55 in Lebanon Hills Plan to manhole near the dividing line between Lots Nos. 58 and 59 in said Plan and providing for the payment of the cost thereof and making an appropriation therefor. (Ordinance 1542, October 29, 1951)
- 7-219.** Amending Ordinance No. 1527 enacted February 12, 1951, as hereinafter set forth. (Ordinance 1548, March 10, 1952) (These amended Sections 1 and 2 of Ordinance 1527, listed in Section 7-213.)
- 7-220.** Authorizing the construction of an eight-inch (8") sanitary sewer in said Township along the southerly side of Salem Drive from its intersection with the existing sewer at the corner of Cedar Alley; thence to the westerly side of Academy Place and along the line of Academy Place and across Sage Avenue to a point on the dividing line between Lots Nos. 128 and 129 in Willow Terrace Plan of Lots; and thence along the westerly side of Sage Avenue in a northerly direction to the existing manhole near the dividing line between Lots Nos. 122 and 123 in said Plan with branch sewers along the dividing line between Lots Nos. 128 and 129 in said Plan to a manhole, and a branch sewer in Sage Avenue to connect with the existing lamphole, providing for the payment of the cost thereof and making an appropriation therefor. (Ordinance 1550, March 24, 1952)
- 7-221.** Authorizing the construction of a storm sewer from Bower Hill Road along the dividing line between Lots Nos. 2 and 3 in Cedarhurst Manor Plan of Lots and in Lakemont Drive and

Rose Lane as hereinafter described and providing for the payment of the cost thereof out of bond funds of said Township and making an appropriation therefor. (Ordinance 1591, April 6, 1953)

- 7-222.** Authorizing the construction of an eight-inch (8") sanitary sewer in Mayfair Drive in said Township from the dividing line between Lots Nos. 220 and 221 in Lynnwood Park Addition No. 2 to the dividing line between Lots Nos. 203 and 204 in said Plan with branch sewers along the dividing lines between Lots Nos. 203 and 204 and 207 and 208 in said Plan and in rights of way along the rear lines of Lots. Nos. 204 to 219, inclusive, in said Plan, and providing for the assessment of the costs, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1627, December 14, 1953)
- 7-223.** Authorizing the construction of an eight-inch (8") sanitary sewer in and along the northerly portion of Ella Street in said Township from the existing sewer at or near the center of Lot No. 65 in Willow Terrace Plan to a point one hundred fifty (150) feet eastwardly from the east line of Parkview Drive, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1628, December 14, 1953)
- 7-224.** Authorizing the construction of an eight-inch (8") sanitary sewer in Central Way in said Township from the southerly end thereof to the existing sewer at the northerly end thereof, and providing for the assessment of the costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1629, December 14, 1953)
- 7-225.** Authorizing the construction of a fifteen-inch (15") storm sewer in Central Way in said Township from the southerly end thereof to the existing sewer at the northerly end thereof, and providing for the payment of the costs thereof and making an appropriation therefor. (Ordinance 1630, December 14, 1953)
- 7-226.** Authorizing the construction of storm sewers with manholes and aprons over, in, under and upon Lots Nos. 1 to 11, inclusive, of Block "H" of Oxford Park Plan No. 1, owned by Bower Hill Manor Corporation, connecting with the presently existing storm sewer in Lot No. 11 and terminating in Lot No. 1 of said Plan, and providing for the payment of the costs thereof and making an appropriation therefor. (Ordinance 1641, April 19, 1954)
- 7-227.** Authorizing the construction of a storm sewer in Mt. Lebanon Boulevard, Pennsylvania Department of Highways Route No. 02086 from State Highway Station 27+33 to Station 32+29; providing for the payment of the cost thereof and making an appropriation therefor. (Ordinance 1642, April 19, 1954)
- 7-228.** Accepting the sanitary sewer system serving Lots Nos. 404 to 435 in Cedarhurst Terrace Addition No. 4 in said Township and declaring the same to be part of the public sewer system of said Township. (Ordinance 1665, October 25, 1954)

- 7-229. Accepting the sanitary sewers serving properties abutting on Craigview Drive in Sylvan Glades Plan No. 1 Revised and Sylvan Glades Plan No. 3 in said Township and declaring the same to be a part of the public sewer system of said Township. (Ordinance 1668, December 13, 1954)
- 7-230. Accepting the sanitary sewer in Lebanon Hills Manor in said Township and declaring the same to be a part of the public sewer system of said Township. (Ordinance 1671, January 10, 1955)
- 7-231. Accepting the sanitary sewers serving lots in Foxland Terrace Plan of Lots and declaring the same to be a part of the public sewer system of said Township. (Ordinance 1677, February 28, 1955)
- 7-232. Accepting the sanitary sewers serving lots in Cedarhurst Terrace Addition No. 5 Plan of Lots and declaring the same to be a part of the public sewer system of said Township. (Ordinance 1679, March 14, 1955)
- 7-233. Accepting the sanitary sewers serving lots in Cedarhurst Terrace Addition No. 6 Plan of Lots and declaring the same to be a part of the public sewer system of said Township. (Ordinance 1680, March 28, 1955)
- 7-234. Accepting the sanitary sewers serving lots in Cedarhurst Village Plan of Lots and declaring the same to be part of the public sewer system of said Township. (Ordinance 1682, March 28, 1955)
- 7-235. Accepting the sanitary sewers serving lots in the Margaret Plan, Gerace Plan No. 2, Cedar Heights Plan and Cedar Heights Addition Plan No. 1, and declaring the same to be part of the public sewer system of said Township. (Ordinance 1699, September 12, 1955)
- 7-236. Accepting a sanitary sewer constructed on properties of the Methodist Church Union of Pittsburgh Conference, U.G. Gartlett heirs and the Bower Hill Community Church, and declaring the same to be part of the public sewer system of said Township. (Ordinance 1705, September 26, 1955)
- 7-237. Accepting the sanitary sewers servicing lots in the Cedarhurst Terrace Addition No. 8 Plan of Lots and declaring the same to be a part of the public sewer system of said Township. (Ordinance 1713, November 14, 1955)
- 7-238. Accepting the sanitary sewers servicing lots in the Carleton Manor Plan of Lots and declaring the same to be a part of the public sewer system of said Township. (Ordinance 1715, November 14, 1955)
- 7-239. Authorizing the construction of an eight-inch (8") sanitary sewer in Briarwood Avenue and Catalpa Place, together with branch sewers, and providing for the assessment of costs, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1742, May 28, 1956)

- 7-240.** Authorizing the construction of a twelve-inch (12") sanitary sewer through property of Fred Vanzin, R.L. Taylor and A.F. Schwartz with eight-inch (8") branch sewers through various rights of way and along the westerly line of Firwood Drive in the Cedarhurst Terrace Addition No. 9 as recorded and in the Cedarhurst Terrace Addition No. 10 to be recorded, appropriating a right of way therefor and providing for the ascertainment, assessment and collection of the costs, benefits, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1746, July 9, 1956)
- 7-241.** Authorizing the construction of an eight-inch (8") sanitary sewer along the westerly line of Firwood Drive in the Cedarhurst Estates Plan of Lots to serve Lots Nos. 1 to 7, inclusive, in said Plan, together with eight-inch (8") branch sanitary sewers in various rights of way through said Cedarhurst Estates Plan of Lots to serve Lots Nos. 8 to 13, inclusive, in said Plan, and providing for the ascertainment, assessment and collection of the cost, benefit, damages and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1771, September 12, 1956)
- 7-242.** Authorizing the construction of an eight-inch (8") sanitary sewer along the southerly line of Pinetree Road in the Virginia Manor Addition No. 15 Plan of Lots to serve Lots Nos. 1501 to 1506, inclusive, in said Plan, together with eight-inch (8") branch sanitary sewers in various rights of way through said Plan to serve Lots Nos. 1507 to 1519, inclusive, in said Plan, and providing for the ascertainment, assessment and collection of the cost, benefit, damages, and expenses thereof upon abutting property owners specially benefited thereby. (Ordinance 1772, September 12, 1956)
- 7-243.** Assessing the benefits arising from the construction of a sanitary sewer system in Cedarhurst Estates Plan. (Ordinance 1798, April 22, 1957) (See Section 7-241.)
- 7-244.** Accepting the sanitary sewers serving Hartle Plan No. 1 in said Township and declaring the same to be a part of the public sewer system of said Township. (Ordinance 1801, April 22, 1957)
- 7-245.** Authorizing and directing the construction of sanitary sewers to serve Oxford Park Plan No. 4 Plan of Lots, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 1827, August 12, 1957) (See Section 7-254.)
- 7-246.** Authorizing and directing the construction of a sanitary sewer to serve Williamsburg Village Plan No. 3 in said Township, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 1828, August 12, 1957) (See also Section 7-256.)
- 7-247.** Authorizing and directing the construction of sanitary sewers to serve Virginia Manor Addition No. 20 Plan of Lots, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 1829, August 12, 1957) (See Section 7-271.)

- 7-248.** Authorizing and directing the construction of sanitary sewers to serve Cedarhurst Terrace Addition No. 11 Plan of Lots, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 1844, September 9, 1957)
- 7-249.** Authorizing and directing the construction of sanitary sewers to serve Gerace Estates No. 1 Plan of Lots and providing for the assessment and collection of the costs, damages, and expenses of said construction from the abutting property owners. (Ordinance 1845, September 9, 1957) (See Section 7-272.)
- 7-250.** Authorizing and directing the construction of sanitary sewers to serve Paulande Manor Plan of Lots, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 1846, September 9, 1957)
- 7-251.** Authorizing and directing the construction of sanitary sewers to serve Virginia Manor Addition No. 17 Plan of Lots, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 1847, September 9, 1957) (See also Section 7-259.)
- 7-252.** Authorizing and directing the construction of sanitary sewers to serve Virginia Manor Addition No. 18 Plan of Lots, and providing for the assessment and collection of the costs, damages and expenses of said construction from abutting property owners. (Ordinance 1848, September 9, 1957) (See also Sections 7-255 and 7-260.)
- 7-253.** Accepting the grant and dedication of a sanitary and drainage sewer right of way through lands of Lucy Corporation, Incorporated. (Ordinance 1849, September 23, 1957)
- 7-254.** Assessing the benefits arising from the construction of sanitary sewers in Oxford Park Plan No. 4 in said Township. (Ordinance 1858, November 11, 1957) (See Section 7-245.)
- 7-255.** Assessing the benefits arising from the construction of a sanitary sewer in Virginia Manor Addition Plan No. 18 in said Township. (Ordinance 1859, November 11, 1957) (See Section 7-252.)
- 7-256.** Assessing the benefits arising from the construction of a sanitary trunk line sewer in Williamsburg Village Plan No. 3 in said Township. (Ordinance 1861, November 11, 1957) (See Section 7-246.)
- 7-257.** Authorizing and directing the construction of a sanitary sewer to serve Cedarhurst Village Addition No. 3 Plan of Lots, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 1862, November 11, 1957) (See also Section 7-258.)

- 7-258. Assessing the benefits arising from the construction of sanitary sewers in Cedarhurst Village Addition No. 3 in said Township. (Ordinance 1873, January 13, 1958) (See Section 7-257.)
- 7-259. Assessing the benefits arising from the construction of sanitary sewers in Virginia Manor Addition No. 17 in said Township. (Ordinance 1875, January 13, 1958) (See Section 7-251.)
- 7-260. Assessing benefits arising from the construction of sanitary sewers in Virginia Manor Addition No. 18 in said Township. (Ordinance 1876, January 13, 1958) (See Section 7-252.)
- 7-261. Accepting the dedication of the sanitary sewer constructed in and to serve Lots Nos. 53, 54, 55, 56, 57 and 58 in the Twin Hills Plan of Lots No. 2 in the said Township, and declaring said sewer to be a part of the public sewer system of the said Township. (Ordinance 1877, January 27, 1958)
- 7-262. Authorizing and directing the construction of a storm sewer extending from Cedar Boulevard to Bower Hill Road through the Long Plan of Lots and the Central Place Plan of Lots and providing for the payment of the costs and expenses thereof out of the general funds of said Township. (Ordinance 1878, January 27, 1958)
- 7-263. Authorizing and directing the construction of sanitary sewers to serve Highland Terrace Plan of Lots, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 1890, March 10, 1958) (See Section 7-273.)
- 7-264. Authorizing and directing the construction of sanitary sewers to serve Valleyview Addition No. 1 Plan and properties of Fred Valicenti and Harry Y. Green, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 1891, March 10, 1958)
- 7-265. Authorizing and directing the construction of a sanitary sewer located partially in Lindendale Drive and partially in Gladds Drive, as proposed, and providing for the assessment and collection of the costs, damages, and expenses of said construction from the abutting property owners. (Ordinance 1901, June 9, 1958)
- 7-266. Authorizing and directing the construction of a sanitary sewer to serve Cedarhurst Village Addition No. 3 Plan of Lots, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 1902, June 9, 1958) (See Section 7-270.)
- 7-267. Authorizing and directing the construction of a sanitary sewer to serve the George McConnell Plan No. 3, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 1906, June 9, 1958)

- 7-268. Accepting the sanitary sewer serving lots in the Margaret Plan and declaring the same to be a part of the public sewer system of said Township. (Ordinance 1924, September 22, 1958)
- 7-269. Assessing benefits arising from the construction of a sanitary sewer in a portion of Gilkeson Road in said Township. (Ordinance 1928, October 13, 1958)
- 7-270. Assessing benefits arising from the construction of a sanitary sewer in Cedarhurst Village Addition Plan No. 3 in said Township. (Ordinance 1929, October 13, 1958) (See Section 7-266.)
- 7-271. Assessing benefits arising from the construction of sanitary sewers to serve Virginia Manor Addition No. 20 Plan of Lots in said Township. (Ordinance 1946, January 26, 1959) (See Section 7-247.)
- 7-272. Assessing benefits arising from the construction of sanitary sewers to serve Gerace Estates No. 1 Plan of Lots in said Township. (Ordinance 1947, February 9, 1959) (See Section 7-249.)
- 7-273. Assessing benefits arising from the construction of sanitary sewers to serve Highland Terrace Plan of Lots in said Township. (Ordinance 1948, February 9, 1959) (See Section 7-263.)
- 7-274. Authorizing and directing the construction of sanitary sewers to serve Cedarcrest Plan of Lots and adjoining property owned by M.J. Rosencrans, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 1963, April 27, 1959) (See Section 7-285.)
- 7-275. Authorizing and directing the construction of sanitary sewers to serve Cedarhurst Village Addition No. 5 Plan of Lots, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 1966, April 27, 1959) (See Section 7-300.)
- 7-276. Authorizing and directing the construction of sanitary sewers to serve Virginia Manor Addition No. 22 Plan of Lots, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 1975, May 11, 1959) (See Section 7-292.)
- 7-277. Authorizing and directing the construction of sanitary sewers to serve Highland Terrace Addition No. 1 and providing for the assessment and collection of the costs, damages, and expenses of said construction from the abutting property owners. (Ordinance 1982, May 25, 1959) (See also Section 7-286.)
- 7-278. Authorizing and directing the construction of a sanitary sewer to serve Virginia Manor Addition No. 21 Plan of Lots, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 1989, May 25, 1959) (See also Section 7-289.)

- 7-279.** Authorizing and directing the construction of sanitary sewers to serve Gerace Estates Plan No. 2 in said Township and providing for the assessment and collection of the costs, damages, and expenses of said construction from the abutting property owners. (Ordinance 1996, July 13, 1959) (See also Section 7-287.)
- 7-280.** Authorizing and directing the construction of sanitary sewers to serve Lebanon Hills Addition Plan No. 3 in said Township and providing for the assessment and collection of the costs, damages, and expenses of said construction from the abutting property owners. (Ordinance 1997, July 13, 1959) (See also Section 7-288.)
- 7-281.** Authorizing and directing the construction of sanitary sewers to serve Milbeth Manor Addition No. 1 Plan of Lots, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 2001, August 10, 1959) (See also Section 7-290.)
- 7-282.** Authorizing and directing the construction of sanitary sewers to serve Milbeth Manor Addition No. 2 Plan of Lots in said Township and providing for the assessment and collection of the costs, damages, and expenses of said construction from the abutting property owners. (Ordinance 2002, August 10, 1959) (See also Section 7-291.)
- 7-283.** Authorizing and directing the construction of sanitary sewers to serve Virginia Manor Addition No. 25 Plan of Lots, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 2008, September 14, 1959) (See Section 7-293.)
- 7-284.** Authorizing and directing the construction of sanitary sewers to serve Williamsburg Village Plan No. 5 and providing for the assessment and collection of the costs and expenses of said construction from the abutting property owners. (Ordinance 2021, October 12, 1959) (See Section 7-303.)
- 7-285.** Assessing benefits arising from the construction of sanitary sewers to serve Cedarcrest Plan of Lots and Cedarcrest Addition No. 1 Plan of Lots in said Township. (Ordinance 2022, October 12, 1959) (See Section 7-274.)
- 7-286.** Assessing benefits arising from the construction of sanitary sewers to serve Highland Terrace Addition Plan No. 1 in said Township. (Ordinance 2025, October 12, 1959) (See also Section 7-277.)
- 7-287.** Assessing benefits arising from the construction of sanitary sewers to serve Gerace Estates Plan No. 2 in said Township. (Ordinance 2034, November 9, 1959) See also Section 7-279.)
- 7-288.** Assessing benefits arising from the construction of sanitary sewers to serve Lebanon Hills Addition Plan No. 3 of Lots in said Township. (Ordinance 2035, November 9, 1959) (See also Section 7-280.)

- 7-289.** Assessing benefits arising from the construction of sanitary sewers to serve Lots Nos. 2102 through 2107 in Virginia Manor Addition No. 21 Plan of Lots in said Township. (Ordinance 2037, November 9, 1959) (See also Section 7-278.)
- 7-290.** Assessing benefits arising from the construction of sanitary sewers to serve Milbeth Manor Addition Plan No. 1 of Lots in said Township. (Ordinance 2043, December 14, 1959) (See also Section 7-281.)
- 7-291.** Assessing benefits arising from the construction of sanitary sewers to serve Milbeth Manor Addition No. 2 Plan of Lots in said Township. (Ordinance 2044, December 14, 1959) (See also Section 7-282.)
- 7-292.** Assessing benefits arising from the construction of sanitary sewers to serve Virginia Manor Addition No. 22 Plan of Lots in said Township. (Ordinance 2046, December 14, 1959) (See Section 7-276.)
- 7-293.** Assessing benefits arising from the construction of sanitary sewers to serve Virginia Manor Addition No. 25 Plan of Lots in said Township. (Ordinance 2051, January 11, 1960) (See Section 7-283.)
- 7-294.** Authorizing the construction of eight-inch (8") sanitary sewers through various rights of way in Moffett Place Plan, and providing for the assessment of costs, damages, and expenses thereof upon abutting properties. (Ordinance 2055, March 14, 1960) (See also Section 7-301.)
- 7-295.** Authorizing the construction of eight-inch (8") sanitary sewers to serve Cedarcrest Addition No. 1, and providing for the assessment of costs, damages, and expenses thereof upon abutting properties. (Ordinance 2059, March 28, 1960) (See Section 7-305.)
- 7-296.** Authorizing the construction of eight-inch (8") sanitary sewers to serve Philip Manor Plan of Lots, and providing for the assessment of costs, damages, and expenses thereof upon abutting properties. (Ordinance 2060, March 28, 1960) (See also Section 7-304.)
- 7-297.** Authorizing the construction of eight-inch (8") sanitary sewers to serve Main Entrance Manor Plan of Lots, and providing for the assessment of costs, damages, and expenses thereof against abutting properties. (Ordinance 2064, April 11, 1960) (For amendment to this ordinance, see Section 7-322. See also Section 7-308.)
- 7-298.** Authorizing the construction of eight-inch (8") sanitary sewers to serve Highland Terrace Addition No. 2 Plan of Lots, and providing for the assessment of costs, damages, and expenses thereof against abutting properties. (Ordinance 2084, June 6, 1960) (See also Section 7-307.)
- 7-299.** Accepting the dedication of rights of way for, and authorizing and directing the construction of, sanitary sewers to serve Virginia Manor Addition No. 24 Plan of Lots in said Township

and providing for the assessment and collection of the costs, damages, and expenses of said construction from the abutting property owner. (Ordinance 2085, June 6, 1960) (See Section 7-311.)

- 7-300.** Assessing benefits arising from the construction of sanitary sewers to serve Cedarhurst Village Addition No. 5 Plan of Lots in said Township. (Ordinance 2094, August 8, 1960) (See Section 7-275.)
- 7-301.** Assessing benefits arising from the construction of sanitary sewers to serve Moffett Place Plan of Lots in said Township. (Ordinance 2095, August 8, 1960) (See also Section 7-294.)
- 7-302.** Authorizing the construction of eight-inch (8") sanitary sewers to serve Highland Terrace Addition No. 3 Plan of Lots, and providing for the assessment of the costs, damages, and expenses thereof against the abutting properties. (Ordinance 2097, September 12, 1960)
- 7-303.** Assessing benefits arising from the construction of sanitary sewers to serve Williamsburg Village Plan No. 5 in said Township. (Ordinance 2100, September 12, 1960) (See Section 7-284.)
- 7-304.** Assessing benefits arising from the construction of sanitary sewers to serve Philip Manor Plan of Lots in said Township. (Ordinance 2102, September 12, 1960) (See also Section 7-296.)
- 7-305.** Assessing benefits arising from the construction of sanitary sewers to serve Cedarcrest Addition No. 1 Plan of Lots in said Township. (Ordinance 2112, October 10, 1960) (See Section 7-295.)
- 7-306.** Authorizing the construction of sanitary sewers to serve Foxland Heights Plan of Lots and certain other properties, and providing for the collection of a portion of the entire costs, damages, and expenses thereof from the developer, William C. Housley, Jr. (Ordinance 2113, October 24, 1960)
- 7-307.** Assessing benefits arising from the construction of sanitary sewers to serve Highland Terrace Addition No. 2 Plan of Lots in said Township. (Ordinance 2115, October 24, 1960) (See also Section 7-298.)
- 7-308.** Assessing benefits from the construction of sanitary sewers to serve Main Entrance Manor Plan of Lots in said Township. (Ordinance 2118, November 14, 1960) (See Section 7-297.)
- 7-309.** Authorizing the construction of sanitary sewers to serve Oxford Park Plan No. 6 of Lots, and providing for the assessment of the entire costs, damages, and expenses thereof against the abutting properties. (Ordinance 2124, November 28, 1960) (See Section 7-317.)
- 7-310.** Authorizing the construction of sanitary sewers to serve certain properties abutting on Gilkeson Road and providing for the assessment of the entire costs, damages, and expenses

thereof against the abutting properties. (Ordinance 2125, November 28, 1960) (See Section 7-315.)

- 7-311.** Assessing benefits arising from the construction of sanitary sewers to serve Virginia Manor Addition No. 24 Plan of Lots in said Township. (Ordinance 2126, November 28, 1960) (See Section 7-299.)
- 7-312.** Assessing benefits arising from the construction of sanitary sewers to serve Sunridge Drive (formerly Higherkle Drive) in Highland Terrace Addition Plan No. 3 in said Township. (Ordinance 2134, January 9, 1961)
- 7-313.** Authorizing and directing the construction of sanitary sewers to serve Milbeth Manor Addition No. 3 and providing for the assessment and collection of the costs, damages, and expenses of said construction from the abutting property owners. (Ordinance 2136, January 9, 1961) (See Section 7-314.)
- 7-314.** Assessing benefits arising from the construction of sanitary sewers to serve Milbeth Manor Addition No. 3 Plan of Lots in said Township. (Ordinance 2137, January 9, 1961) (See Section 7-313.)
- 7-315.** Assessing benefits arising from the construction of a sanitary sewer to serve certain properties abutting on Gilkeson Road in said Township. (Ordinance 2138, January 9, 1961) (See Section 7-310.)
- 7-316.** Authorizing the construction of sanitary sewers to serve Main Entrance Manor Addition No. 1 Plan of Lots, and providing for the assessment of the entire cost, damages, and expenses thereof against the abutting properties. (Ordinance 2151, April 10, 1961) (See Section 7-318.)
- 7-317.** Assessing benefits arising from the construction of sanitary sewers to serve Oxford Park Plan No. 6 of Lots in said Township. (Ordinance 2155, May 22, 1961) (See Section 7-309.)
- 7-318.** Assessing benefits arising from the construction of sanitary sewers to serve Main Entrance Manor Addition No. 1 Plan of Lots in said Township. (Ordinance 2172, November 27, 1961) (See Section 7-316.)
- 7-319.** Authorizing the construction of sanitary sewers to serve Williamsburg Village Addition No. 6 Plan of Lots, and providing for the assessment of the entire cost, damages, and expenses thereof against the abutting properties. (Ordinance 2181, December 11, 1961) (See Section 7-323.)
- 7-320.** Authorizing the construction of sanitary sewers to serve Carleton Manor No. 2 Plan of Lots and to serve Lots 50 through 54, inclusive, of the Carleton Manor Plan of Lots, and providing for the assessment of the entire costs, damages, and expenses thereof against the abutting properties. (Ordinance 2186, April 9, 1962) (See Section 7-326.)

- 7-321.** Authorizing the construction of a new trunk sanitary sewer in the Kelton Valley Drainage District, and providing for the assessment of part of the cost, damages and expenses thereof against the abutting property owners and payment of the balance of the cost by the Township of Mt. Lebanon and the Borough of Dormont. (Ordinance 2199, June 11, 1962) (See Section 7-327.)
- 7-322.** Amending Ordinance No. 2064 by altering the course of eight-inch (8") sanitary sewers on Lots 1 through 6, inclusive, of the Main Entrance Manor Plan of Lots. (Ordinance 2201, June 11, 1962) (Ordinance 2064 is listed in Section 7-297.)
- 7-323.** Assessing benefits arising from the construction of sanitary sewers to serve Williamsburg Village No. 6 Plan of Lots in said Township. (Ordinance 2206, July 9, 1962) (See Section 7-319.)
- 7-324.** Authorizing the construction of sanitary sewers to serve certain properties abutting on Morrison Drive as is shown in Carriage Hill Plan of Lots No. 1 and providing for the assessment of the entire costs, damages, and expenses thereof against the abutting properties. (Ordinance 2210, August 13, 1962) (See Section 7-328.)
- 7-325.** Authorizing the construction of sanitary sewers to serve certain properties abutting on Morrison Drive as is shown in Carriage Hill Plan of Lots No. 2 and providing for the assessment of the entire costs, damages, and expenses thereof against the abutting properties. (Ordinance 2213, August 13, 1962) (See Section 7-332.)
- 7-326.** Assessing benefits arising from the construction of sanitary sewers to serve Carleton Manor No. 2 Plan of Lots and to serve Lots 50 through 54, inclusive, of the Carleton Manor Plan of Lots in said Township. (Ordinance 2221, October 8, 1962) (See Section 7-320.)
- 7-327.** Assessing benefits arising from the construction of a new trunk sanitary sewer in the Kelton Valley Drainage District in said Township. (Ordinance 2227, December 10, 1962) (See Section 7-321.)
- 7-328.** Assessing benefits arising from the construction of sanitary sewers to serve Carriage Hill Plan of Lots No. 1 in said Township. (Ordinance 2229, January 16, 1963) (See Section 7-324.)
- 7-329.** Authorizing and directing the construction of sanitary sewers to serve Cedarhurst Village Addition No. 6 Plan of Lots, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 2230, February 11, 1963)
- 7-330.** Authorizing and directing the construction of sanitary sewers to serve Hess Plan of Lots, and providing for the assessment and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 2231, February 11, 1963)

- 7-331.** Authorizing and directing the construction of sanitary sewers to serve Virginia Manor Addition No. 27 Plan of Lots, and providing for the assessments and collection of the costs, damages and expenses of said construction from the abutting property owners. (Ordinance 2239, May 13, 1963) (See Section 7-339.)
- 7-332.** Assessing benefits arising from the construction of sanitary sewers to serve Morrison Drive as shown in Carriage Hill Plan of Lots No. 2 in said Township. (Ordinance 2242, May 27, 1963) (See Section 7-325.)
- 7-333.** Assessing benefits arising from the construction of sanitary sewers to serve Lindendale Drive as shown in Cedarhurst Village Addition No. 6 Plan of Lots in said Township. (Ordinance 2243, May 27, 1963)
- 7-334.** Assessing benefits arising from the construction of sanitary sewers to serve Cedar Boulevard as shown in the Hess Plan of Lots in said Township. (Ordinance 2244, May 27, 1963)
- 7-335.** Authorizing the construction of sanitary sewers to serve certain properties in the Township of Mt. Lebanon owned by the School District of the Township of Mt. Lebanon, Reinhart Wagner and Helen F. Wagner, his wife, and Dorrance F. Hobbes and Grace E. Hobbes, his wife. (Ordinance 2245, June 10, 1963)
- 7-336.** Assessing benefits arising from the construction of sanitary sewers to serve the properties located at No. 1121 Bower Hill Road and 1100 Bower Hill Road in said Township. (Ordinance 2246, June 10, 1963)
- 7-337.** Authorizing the construction of eight-inch (8") sanitary sewers to serve Virginia Manor Plan of Lots No. 28, and providing for the assessment of the costs, damages, and expenses thereof against the abutting properties. (Ordinance 2250, July 8, 1963) (See Section 7-343.)
- 7-338.** Authorizing the construction of sanitary sewers to serve the Sararose Plan of Lots, and providing for the assessment of the entire cost, damages, and expenses thereof against the abutting properties. (Ordinance 2255, September 9, 1963)
- 7-339.** Assessing benefits arising from the construction of sanitary sewers to serve Glen Ridge Lane as shown in Virginia Manor Addition No. 27 Plan of Lots in said Township. (Ordinance 2260, September 23, 1963) (See Section 7-331.)
- 7-340.** Authorizing the construction of sanitary sewers to serve Twin Hills Plan of Lots No. 6, and providing for the assessment of the entire cost, damages, and expenses thereof against the abutting properties. (Ordinance 2263, October 14, 1963) (See Section 7-348.)
- 7-341.** Authorizing the construction of sanitary sewers to serve Williamsburg Village Plan of Lots No. 7, and providing for the assessment of the entire costs, damages, and expenses thereof against the abutting properties. (Ordinance 2266, October 15, 1963) (See Section 7-347.)

- 7-342. Accepting the dedication of an eight-inch (8") sanitary sewer, including the right of way and easement thereon, with all the appurtenances thereto, through a fifteen-foot (15') right of way for public utilities and sewers, with easement thereon, in the Fieldbrook Estates Plan of Lots and in the Fieldbrook Addition Plan of Lots, serving lot Nos. 1 and No. 2 in the Fieldbrook Estates Plan of Lots, and declaring said sanitary sewer to be a part of the sewerage system of said Township. (Ordinance 2274, December 9, 1963)
- 7-343. Assessing benefits arising from the construction of a sanitary sewer to serve certain properties abutting on Pinoak Road and Old Hickory Road in Revised Virginia Manor Addition No. 28 Plan of Lots in said Township. (Ordinance 2276, January 20, 1964)
- 7-344. Assessing benefits arising from the construction of sanitary sewers to serve Hillaire Drive in the Sararose Plan of Lots in said Township. (Ordinance 2278, February 10, 1964)
- 7-345. Authorizing the construction of sanitary sewers to serve Virginia Manor Addition No. 29 and certain properties in the Township of Mt. Lebanon owned by E.J. Bognar and Virginia Manor Ridge Land Company. (Ordinance 2290, June 8, 1964) (See Section 7-350.)
- 7-346. Authorizing the construction of sanitary sewers to serve certain properties in the Township of Mt. Lebanon owned by the Dellwood Corporation and M.J. Rosencrans. (Ordinance 2294, July 13, 1964)
- 7-347. Assessing benefits arising from the construction of sanitary sewers to serve Williamsburg Village Plan of Lots No. 7 in said Township. (Ordinance 2301, August 10, 1964) (See Section 7-341.)
- 7-348. Assessing benefits arising from the construction of sanitary sewers to serve Twin Hills Plan of Lots No. 6 in said Township. (Ordinance 2303, August 10, 1964) (See Section 7-340.)
- 7-349. Authorizing the construction of sanitary sewers to serve Twin Hills Plan of Lots No. 10, and providing for the assessment of the entire cost, damages, and expenses thereof against the abutting properties. (Ordinance 2327, May 10, 1965) (See Section 7-353.)
- 7-350. Assessing benefits arising from the construction of sanitary sewers to serve Virginia Manor Addition No. 29 in said Township. (Ordinance 2332, May 24, 1965) (See Section 7-345.)
- 7-351. Assessing benefits arising from the construction of sanitary sewers to serve Oxford Park Plan No. 5 in said Township. (Ordinance 2338, August 9, 1965)
- 7-352. Authorizing the construction of sanitary sewers to serve certain property in the Township of Mt. Lebanon owned by Virginia Manor Larchmont Company. (Ordinance 2343, September 13, 1965)
- 7-353. Assessing benefits arising from the construction of sanitary sewers to serve Twin Hills Plan No. 10 Plan of Lots in said Township. (Ordinance 2353, December 13, 1965) (See Section 7-349.)

- 7-354.** Authorizing the construction of sanitary sewers to serve certain property in the Township of Mt. Lebanon owned by John T. Stabile, Jr., and Helen B. Stabile. (Ordinance 2361, April 11, 1966)
- 7-355.** Authorizing the construction of storm sewers to serve certain property in the Township of Mt. Lebanon owned by John T. Stabile, Jr., and Helen B. Stabile. (Ordinance 2362, April 11, 1966)
- 7-356.** Assessing benefits arising from the construction of sanitary sewers to serve Victoria Manor Plan of Lots in said Township. (Ordinance 2363, May 23, 1966)
- 7-357.** Assessing benefits arising from the construction of storm sewers to serve Victoria Manor Plan of Lots in said Township. (Ordinance 2364, May 23, 1966)
- 7-358.** Assessing benefits arising from the construction of sanitary sewers to serve Virginia Manor Addition No. 31 in said Township. (Ordinance 2372, September 12, 1966)
- 7-359.** Authorizing the construction of sanitary sewers to serve certain property in the Township of Mt. Lebanon known as Highland Terrace Addition No. 4. (Ordinance 2392, May 22, 1967) (See Section 7-366.)
- 7-360.** Authorizing the construction of sanitary sewers to serve certain property in the Township of Mt. Lebanon owned by Jaret Company. (Ordinance 2399, June 12, 1967)
- 7-361.** Authorizing the construction of sanitary sewers to serve certain properties situated along Bower Hill Road in the Township of Mt. Lebanon. (Ordinance 2401, July 24, 1967)
- 7-362.** Authorizing the construction of sanitary sewers to serve certain properties in the Township of Mt. Lebanon known as Manor Land Company Plan of Lots No. 1. (Ordinance 2404, July 24, 1967) (See Section 7-370.)
- 7-363.** Authorizing the construction of sanitary sewers to serve certain property in the Township of Mt. Lebanon known as Highland Terrace Addition No. 5. (Ordinance 2410, September 25, 1967) (See Section 7-367.)
- 7-364.** Authorizing the construction of sanitary sewers to serve certain property in the Township of Mt. Lebanon by Hagel Construction Company. (Ordinance 2413, October 23, 1967)
- 7-365.** Authorizing the construction of sanitary sewers to serve certain property in the Township of Mt. Lebanon known as Williamsburg Village No. 9 Plan of Lots and certain other property in the vicinity of the said Plan of Lots. (Ordinance 2414, November 27, 1967) (See Section 7-376.)

- 7-366.** Assessing benefits arising from the construction of sanitary sewers to serve Highland Terrace Addition No. 4 Plan of Lots in said Township. (Ordinance 2421, January 22, 1968) (See Section 7-359.)
- 7-367.** Assessing benefits arising from the construction of sanitary sewers to serve Highland Terrace Addition No. 5 Plan of Lots in said Township. (Ordinance 2422, January 22, 1968) (See Section 7-363.)
- 7-368.** Authorizing the construction of sanitary sewers to serve certain property in the Township of Mt. Lebanon owned by Heritage Land Company, Inc. (Ordinance 2435, July 8, 1968)
- 7-369.** Assessing benefits arising from the construction of sanitary sewers to serve Carleton Manor Plan No. 4 and Carleton Manor Plan No. 5 in said Township. (Ordinance 2440, August 12, 1968)
- 7-370.** Assessing benefits arising from the construction of sanitary sewers to serve Manor Land Company Plan No. 1 in said Township. (Ordinance 2442, August 12, 1968) (See Section 7-362.)
- 7-371.** Assessing benefits arising from the construction of sanitary sewers to serve Cedarhurst Terrace Addition No. 12 in said Township. (Ordinance 2444, October 14, 1968)
- 7-372.** Releasing, relinquishing, and abandoning any further interest in a certain unused sewer right of way located within certain property now or formerly owned by Baker and Holstead, Inc., in the said Township. (Ordinance 2454, April 28, 1969)
- 7-373.** Authorizing the construction of sanitary sewers to serve certain property in the Township of Mt. Lebanon owned by Virginia Vue Land Co. Inc.; Norman J. Frey and Nelleen Frey, his wife; Lamont Shuttleworth and Anita S. Shuttleworth, his wife; William E. Hall and Marilyn Hall, his wife; and Reed J. Davis and Joann M. Davis, his wife. (Ordinance 2459, July 14, 1969)
- 7-374.** Authorizing the construction of sanitary sewers to serve certain properties within the Township of Mt. Lebanon known as Lots Nos. 14, 15 and 16 in the Sunnyside Plan of Lots. (Ordinance 2464, July 14, 1969) (See Section 7-377.)
- 7-375.** Accepting the dedication of certain sewers located within property of the Keystone Oaks School Authority and designating and constituting the same as public sewers within the said Township. (Ordinance 2470, September 22, 1969)
- 7-376.** Assessing benefits arising from the construction of sanitary sewers to serve Williamsburg Village No. 9 Plan of Lots in said Township. (Ordinance 2485, March 9, 1970) (See Section 7-365.)

- 7-377. Assessing benefits arising from the construction of sanitary sewers to serve lot Nos. 14, 15 and 16 in the Sunnyside Plan of Lots in said Township. (Ordinance 2491, September 28, 1970) (See Section 7-374.)
- 7-378. Authorizing the construction of sanitary sewers to serve certain properties in the Township of Mt. Lebanon owned by Fred Gerace and Rose Gerace, his wife. (Ordinance 2512, February 28, 1972)
- 7-379. Authorizing the construction of sanitary sewers to serve certain property in the Municipality of Mt. Lebanon owned by William J. Kumpf, Jr. (Ordinance 2576, February 2, 1976)
- 7-380. Assessing benefits arising from the construction of sanitary sewers to serve Bower Hill Estates in said Municipality. (Ordinance 2578, April 5, 1976) (This relates to construction authorized in Section 7-379.)
- 7-381. Authorizing the construction of sanitary sewers to serve certain properties in the Municipality of Mt. Lebanon known as McMonagle Glen Plan of Lots No. 2. (Ordinance 2600, July 11, 1977)
- 7-382. Authorizing the construction of sanitary sewers to serve certain properties in the Municipality of Mt. Lebanon known as Cedarhurst Terrace Addition No. 14. (Ordinance 2608, September 20, 1977)
- 7-383. Authorizing the construction of sanitary sewers to serve certain properties in the Municipality of Mt. Lebanon known as Hoodridge Hilands Plan No. 1. (Ordinance 2625, March 6, 1978)
- 7-384. Authorizing the construction of sanitary sewers to serve certain properties in the Municipality of Mt. Lebanon known as Hoodridge Hilands Plan No. 2. (Ordinance 2656, October 15, 1979)
- 7-385. Accepting the dedication of certain sanitary sewers serving the dwelling units as shown on the Declaration Plan of Woodridge (Amended) Phase I, and declaring the same to be a part of the public sanitary sewer system of said Municipality. (Ordinance 2663, January 21, 1980)
- 7-386. Authorizing the construction of sanitary sewers to serve certain properties in the Municipality of Mt. Lebanon known as Gerace Estates Plan No. 3. (Ordinance 2681, November 3, 1980)
- 7-387. Accepting the eight-inch (8") sanitary sewer and fifteen-inch (15") storm sewer passing through Lots 2 and 3 in the G.R.D. Plan of Lots No. 2 and declaring the same to be a part of the public sanitary and storm sewer systems of said Municipality. (Ordinance 2698, October 12, 1981)

- 7-388.** Authorizing the construction of sanitary sewers to serve certain property in the Municipality of Mt. Lebanon known as the McConnell Mill Lane Plan of Lots. (Ordinance 2726, February 14, 1983)
- 7-389.** Authorizing the construction of sanitary sewers to serve certain property in the Municipality of Mt. Lebanon known as the Hoodridge Hilands Plan No. 3. (Ordinance 2731, September 12, 1983)
- 7-390.** Authorizing the construction of sanitary sewers to serve certain property in the Municipality of Mt. Lebanon known as the Hoodridge Hilands Plan No. 4. (Ordinance 2743, July 16, 1984)
- 7-391.** Authorizing the construction of sanitary sewers to serve certain property in the Municipality of Mt. Lebanon known as the Hoodridge Hilands Plan No. 5. (Ordinance 2749, October 8, 1984)
- 7-392.** Authorizing the construction of sanitary sewers to serve certain property in the Municipality of Mt. Lebanon known as the Rocklynn Woods Plan of Lots. (Ordinance 2773, February 10, 1986)
- 7-393.** Authorizing the construction of storm sewers to serve certain property in the Municipality of Mt. Lebanon known as the Rocklynn Woods Plan of Lots. (Ordinance 2774, February 10, 1986)
- 7-394.** Authorizing the construction of sanitary sewers to serve certain property in the Municipality of Mt. Lebanon known as the Gerace Estates No. 4. (Ordinance 2782, June 9, 1986)
- 7-395.** Authorizing the construction of storm sewers to serve certain property in the Municipality of Mt. Lebanon known as the Gerace Estates No. 4. (Ordinance 2783, June 9, 1986)
- 7-396.** Accepting the eight-inch (8") sanitary sewer serving lot 102 of the Welch Plan and declaring the same to be a part of the public sanitary sewer system of said Municipality. (Ordinance 2798, January 12, 1987)
- 7-397.** Authorizing the construction of sanitary sewers to serve certain property in the Municipality of Mt. Lebanon known as the Rocklynn Woods Plan of Lots. (Ordinance 2801, April 20, 1987)
- 7-398.** Authorizing the construction of storm sewers to serve certain property in the Municipality of Mt. Lebanon known as the Rocklynn Woods Plan of Lots. (Ordinance 2802, April 20, 1987)
- 7-399.** Authorizing the construction of sanitary sewers to serve certain property in the Municipality of Mt. Lebanon known as the Carleton Manor No. 6 Plan of Lots. (Ordinance 2807, June 8, 1987)

- 7-400.** Authorizing the construction of storm sewers to serve certain property in the Municipality of Mt. Lebanon known as the Carleton Manor No. 6 Plan of Lots. (Ordinance 2808, June 8, 1987)
- 7-401.** Authorizing the construction of storm sewers to serve certain property in the Municipality of Mt. Lebanon known as the Clister Plan of Lots. (Ordinance 2814, October 12, 1987)
- 7-402.** Authorizing the construction of sanitary sewers to serve certain property in the Municipality of Mt. Lebanon known as the Clister Plan of Lots. (Ordinance 2815, October 12, 1987)
- 7-403.** Electing to pay to the Allegheny County Sanitary Authority (ALCOSAN) the aggregate amount of all sewage service charges which otherwise would be payable directly to ALCOSAN by its sanitary sewer users in the Municipality and electing to bill and collect from those sanitary sewer users such sewer service charges. (Ordinance 2826, March 14, 1988)
- 7-404.** Imposing and establishing rates or charges for the use of the Municipality's sanitary sewer system, providing for the billing for all accounts, establishing penalties for the failure of users to pay said rates or charges, and establishing an effective date for said rates or charges. (Ordinance 2827, March 14, 1988)
- 7-405.** Accepting the Deed of Dedication of a sewer line under an unrecorded parcel abutting the rear of Lot 102 of the Cedarhurst Manor Plan and vacating the right of way located to the rear of Lot 102 of said Plan. (Ordinance 2831, September 13, 1988)
- 7-406.** Imposing a customer service charge for the use of the Municipality's Sanitary Sewer System and abolishing the minimum quarterly fee. (Ordinance 2833, November 14, 1988)
- 7-407.** Accepting certain sanitary sewers serving Thornberry Circle, Queensberry Circle and Royal Court in the Woodridge Planned residential development. (Ordinance 2868, February 11, 1991)
- 7-408.** Authorizing the construction of sanitary sewers to serve certain properties in the Municipality of Mt. Lebanon known as Beadling extension plan revised. (Ordinance 2880, March 9, 1992)
- 7-409.** Authorizing the construction of storm sewers to serve certain properties in the Briarwood Plan of Lots. (Ordinance 2907, October 11, 1993)
- 7-410.** Authorizing the construction of sanitary sewers to serve certain properties in the Briarwood Plan of Lots. (Ordinance 2908, October 11, 1993)
- 7-411.** Amending Section 1 of Ordinance No. 2827, by increasing the customer service charge for the use of the municipality's sanitary sewer system. (Ordinance 2963, November 18, 1996)

- 7-412. Authorizing the construction of storm sewers to serve certain properties in the Summit Pointe Subdivision. (Ordinance 3003, December 13, 1999)
- 7-413. Authorizing the construction of sanitary sewers to serve certain properties in the Summit Pointe Subdivision. (Ordinance 3004, December 13, 1999)
- 7-414. Amending Section 1 of Ordinance No. 2827, by increasing the customer service charge for the use of the municipality's sanitary sewer system. (Ordinance 3008, January 24, 2000)
- 7-415. Authorizing the construction of storm sewers to serve certain properties in the Cedarhurst Terrace Addition No. 13 Revised Subdivision. (Ordinance 3013, September 25, 2000)
- 7-416. Authorizing the construction of sanitary sewers to serve certain properties in the Cedarhurst Terrace Addition No. 13 Revised Subdivision. (Ordinance 3014, September 25, 2000)
- 7-417. Amending Section 1 of Ordinance No. 2827, by increasing the customer service charge for the use of the municipality's sanitary sewer system. (Ordinance 3024, January 22, 2001)
- 7-418. Authorizing the construction of storm sewers to serve certain properties in the James Place Extension Subdivision. (Ordinance 3036, September 10, 2001)
- 7-419. Authorizing the construction of sanitary sewers to serve certain properties in the James Place Extension Subdivision. (Ordinance 3037, September 10, 2001)
- 7-420. Providing for allocation of sanitary sewer connections within the municipality and for applications therefore. (Ordinance 3062, October 14, 2002)
- 7-421. Providing for the connection of improved property to the Mt. Lebanon sanitary sewer system; containing definitions; and providing for the payment of related connection fees. (Ordinance 3063, October 14, 2002)
- 7-422. Amending Section 1 of Ordinance No. 2827, by increasing the customer service charge for the use of the municipality's sanitary sewer system. (Ordinance 3102, November 22, 2004)
- 7-423. Accepting the sanitary sewer serving properties in the Chatham Development Plan of Lots and declaring the same to be a part of the public sewer system of said municipality. (Ordinance 3109, September 12, 2005)
- 7-424. Amending Section 1 of Ordinance No. 2827, by increasing the customer service charge for the use of the municipality's sanitary sewer system. (Ordinance 3121, September 11, 2006)
- 7-425. Accepting the storm sewer serving properties in the Mission Hills Plan of Lots and declaring the same to be a part of the public storm sewer system of said municipality. (Ordinance 3123, November 27, 2006)

- 7-426.** Accepting the storm sewer serving properties in the Willow Terrace Plan of Lots and declaring the same to be a part of the public storm sewer system of said municipality. (Ordinance 3180, February 28, 2011)
- 7-427.** Accepting certain storm sewers within the Kennedy Forest Plan of Lots. (Ordinance 3233, April 9, 2013)
- 7-428.** Accepting the dedication of a certain twelve-inch (12") sanitary sewers traversing the property of Marfred Realty, LLC, as shown in the sanitary sewer easement exhibit prepared by Blue Marsh Associates, Inc. dated November 12, 2018, and declaring the said sewers to be public sewers of the municipality. (Ordinance 3312, June 11, 2019)
- 7-429.** Accepting certain sanitary sewers in accordance with an agreement between the homeowners of 957 Connor Road and the municipality. (Ordinance 3316, November 26, 2019)

Revised 2019
