FOR IMMEDIATE RELEASE

ParkMobile now available in Mt. Lebanon for contactless parking payments

Mt. Lebanon, PA – January 7, 2022 – ParkMobile, the No. 1 parking app in the U.S. and the same app you use in the City of Pittsburgh, is expanding its services to the Municipality of Mt. Lebanon, Pennsylvania. ParkMobile is available for both iPhone and Android devices, or can also be accessed on a mobile web browser. Through the partnership, ParkMobile will be available in more than 550 on-street and surface lot spaces throughout Mt. Lebanon.

ParkMobile for Mt. Lebanon is available at https://info.mtlebanon.org/parking/apps.php. But here's a quick primer: To pay for parking using the mobile or web app, scan the QR code posted on signs around the parking spot and either use that website to select ParkMobile or enter the zone number into the ParkMobile app and bypasses that step. Select the amount of time needed, and touch the "Start Parking" button to begin the session.

"We are excited to expand our mobile payment parking vendors and add ParkMobile as a new option to pay for parking in town," said Mt. Lebanon Finance Director Andrew McCreery. "By partnering with ParkMobile, we are continuing to offer a safe, contactless solution for parking meters that conveniently allows people to use their smartphone to pay for parking."

ParkMobile has 30 million users across North America. Mt. Lebanon joins a growing list of Pennsylvania cities using ParkMobile, including Pittsburgh, Harrisburg, Philadelphia, Lancaster and New Hope. "We see tons of transactions coming out of Pennsylvania, so we're thrilled to add another city to our roster in the state," says Jeff Perkins, CEO of ParkMobile. "Welcome Mt. Lebanon to the ParkMobile family."

About ParkMobile: ParkMobile, LLC is the leading provider of smart parking and mobility solutions in North America, using a contactless approach to help millions of people easily find, reserve, and pay for parking on their mobile devices. The company's technology is used in thousands of locations across the country, including 8 of the top 10 cities as well as college campuses, airports, and stadiums. People can use ParkMobile solutions to quickly pay for on-street and off-street parking without having to use a meter or kiosks. Additionally, ParkMobile offers parking reservations at stadium venues for concerts and

sporting events. Reservations are also available in metro area garages, allowing people to drive into the city without having to worry about finding parking. ParkMobile has been named to the Inc. 5000, Deloitte Fast 500, Smart Cities Connect "Smart 50," and the Atlanta Journal Constitution's Top Workplaces. Additionally, the company won the 2020 Stevie Awards for Achievement in Product Innovation and the 2019 Stevie Awards for Most Innovative Tech Company and Best Travel App. For more information, visit ParkMobile.io or @ParkMobile on Twitter.
