You **MUST** pre-register at www.NobleEnviro.com for the events to minimize wait times and ensure your safety. Rates vary for different materials and are listed on our website. Woody Waste Curbside Pickup Materials collected are limited to shrubs, tree branches and limbs—This is not a pickup for trees you have professionally removed. Please place materials at the curb (not in the street) before 7 a.m. on pickup day. You **must** register for each collection event by calling 412-343-3403 by 4:30 p.m. the Thursday, the week before that collection event. When preparing your material for pickup, please follow these guidelines:

- Please remove all dirt and debris from roots of shrubs. We are unable to pick up soil or rocks.
- Place small branches into piles (**not bound**) not exceeding 24 inches in diameter and 48 inches in length.
- Large tree limbs should be a maximum of 6 feet in length and 5 inches in diameter.
- Total amount put out for any one pickup cannot exceed the amount that fits in a single pickup truck.

We are unable to collect material if you do not follow these guidelines.
