Dear Applicant,

Thank you for your interest in the Mt. Lebanon Police Department (MLPD) Citizens Police Academy. The Academy is sponsored and presented by MLPD as part of its Community Outreach and Education Programs. You are to be commended for your willingness to sacrifice your valuable time to participate in the program. I sincerely hope the Academy will be a rewarding and informative educational experience for you.

The Academy began in 1998 as an effort to provide citizens with information about the police profession. Since its inception, many aspects of policing have changed, including new advances in information sharing, crime scene processing, forensics and the use of force, to cite a few examples. The most recent Academy reflected many of these changes, with more hands-on activities for the participants and streamlined presentations to allow completion within ten weeks. The 2023 Academy will follow the same successful format as that of previous academies and we are confident you will gain a better understanding of the Mt. Lebanon Police Department and its operation through your participation.

Just as importantly, we hope you'll have some fun along the way while you learn. Thank you for helping us to meet our goals of community education, mutual understanding and support. Your participation in the Academy is evidence of your personal commitment to the community. Rest assured, your Police Department shares that commitment, and we are privileged to work with and serve citizens of your caliber to preserve the safety and welfare of the community of Mt. Lebanon.

Sincerely,
