339.2 PURPOSE AND SCOPE

This policy is intended to provide guidelines for officers of the Mt. Lebanon Police Department with respect to taking law enforcement action while off-duty.

339.3 POLICY

It is the policy of the Mt. Lebanon Police Department that officers generally should not initiate law enforcement action while off-duty. Officers are not expected to place themselves in unreasonable peril and should first consider reporting and monitoring the activity. However, any officer who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage or loss, may take reasonable action to minimize or eliminate the threat.

339.4 DECISION TO INTERVENE

There is no legal requirement for off-duty officers to take law enforcement action. Officers should consider waiting for on-duty uniformed law enforcement personnel to arrive instead of immediately intervening and, while waiting, gather as much accurate intelligence as possible. However, if an officer decides to intervene, he/she must evaluate whether the action is necessary or desirable, and should take into consideration:

- (a) The potential to be misidentified by other law enforcement personnel.
- (b) The potential to be misidentified by members of the public, who may be armed or who may take action.
- (c) The tactical disadvantage of being alone and the possibility of multiple or hidden suspects.
- (d) Limited off-duty firearms capabilities and ammunition.

Off-Duty Law Enforcement Actions

- (e) The inability to communicate with responding law enforcement personnel.
- (f) The lack of equipment, such as body armor, handcuffs or control devices.
- (g) Unfamiliarity with the surroundings, including escape routes.
- (h) The potential for increased risk to bystanders by confronting a suspect or taking action.

339.4.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary, the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. If possible, the off-duty officer should provide a description of themselves to the dispatcher receiving the call that can be broadcast to responding officers.

Whenever practicable, the officer should loudly and repeatedly identify him/herself as an officer with the Mt. Lebanon Police Department until acknowledged. Official identification should also be displayed when possible.

339.5 CONSIDERATIONS

When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she is working in an undercover capacity.

339.5.1 INCIDENTS OF PERSONAL INTEREST

Department members should refrain from handling incidents of personal interest (e.g., family or neighbor disputes) and should remain neutral. In such circumstances members should call the responsible agency to handle the matter.

339.6 REPORTING

If prior notification to the appropriate local law enforcement agency is not reasonably possible before taking action, the officer shall notify the agency as soon as reasonably practicable. Officers shall cooperate fully with the agency having jurisdiction by providing statements or reports as requested or as appropriate.

Officers shall notify the Watch Commander regarding any law enforcement action taken while off-duty. The Watch Commander may send a supervisor to the location. The supervisor may request assistance from the Watch Commander, if deemed appropriate.

The Watch Commander shall notify the Duty Officer and determine whether a crime report or an administrative report should be completed by the involved officer.
