

MT. LEBANON
PENNSYLVANIA

**TRASH & RECYCLING
COLLECTION GUIDE 2025**

www.mtlebanon.org

Dear Mt. Lebanon Resident,

County Hauling, a Noble Environmental company, will continue to collect Mt. Lebanon's curbside trash and recycling in 2025 in the same manner as 2024.

Trash and recycling must be out after 6 P.M. the night before your collection or prior to 6 A.M. on the day of collection.

Trash collection is weekly and recycling collection is every other week. See attached calendar. If a holiday falls on a weekday, collection is pushed back one day for all days that follow that week. Holidays are: New Years Day, Memorial Day, July 4, Labor Day, Thanksgiving and Christmas

All trash and recycling containers, including bulk items, must be within five feet of the curb (or five feet from the edge of a travelled road) and placed so it does not interfere with the collection, block the right-of-way or obstruct traffic. The driver must be able to see your items or they will not be collected.

- All trash **MUST BE BAGGED** before being placed in a trash can; bags/cans cannot weigh more than 50 lbs. Loose trash is a health hazard for workers, is more difficult to collect and creates municipal litter. Each week, you may place a maximum of 15 bags of trash and one bulk item — including, but not limited to: furniture, appliances and household goods — per house. Carpet/rugs must be rolled, tied or taped, and no longer than four feet.
- Empty, dried paint cans are acceptable, but may not be in bags, and must have lids off. To dry excess paint, fill can with newspaper, kitty litter or paint hardener.
- Excluded items include, but are not limited to construction debris, hazardous household waste, tree debris (including leaves and ashes) and vehicle parts (including tires).
- All recycling **MUST BE LOOSE** in the containers. Cardboard that doesn't fit needs to be flattened and stacked next to recycling can. Recycling amounts are unlimited. Each container must have at least one green MT. LEBANON RECYCLING sticker on it. Stickers are available at the municipal building, 710 Washington Road, and the public library, 16 Castle Shannon Boulevard. See graphic for recyclable information.
- Glass is collected curbside.
- We collect Types 1 and 2 plastics. Type 1 examples include bottles for soda, water, salad dressing and cooking oil. Type 2 examples include milk and juice jugs, shampoo, conditioner or bodywash bottles and laundry detergent containers. These lists are not comprehensive, so check each container for the recycling logo with the codes PET or PETE for Type 1 and PEHD or HDPE for Type 2. If the container has any of these codes, it is recyclable. If it does not, it is not collected with recycling.

Please call the Mt. Lebanon switchboard at (412) 343-3400 with any questions or to report a missed collection. Misses may also be reported 24 hours a day at mylebo.mtlebanon.org. Additional information is available at mtlebanon.org.

RECYCLABLE MATERIALS

- Must be loose in container
- Aluminum cans
- Corrugated cardboard
- Newsprint and inserts
- Office paper
- Type 1 & 2 plastics
- Steel cans
- Glass bottles and jars (unbroken)
- Phone books
- Paperback books
- Junk mail and envelopes
- Pizza box lids – if not tainted by food/grease
- Boxboard: such as tissue, dry food boxes, cereal, noodles and cake boxes

NON-RECYCLABLE

- Types 3-7 plastics
- Garbage, food waste, diapers, paper plates, hangers, old plastic toys
- Meat or dairy plastic or paper packaging
- Wax or plastic wrap or bags
- Freezer food packaging
- Plastic deli, product or take-out packaging or utensils
- Plastic bags or wrapping film
- Formed or pellet Styrofoam packaging
- Shredded paper
- Mirrors

TRASH

- Put all non-recyclable material in the trash
- Must be in bags, or in bags inside the container

September 13, 2025	September 20, 2025	September 27, 2025
October 4, 2025		

ALL EVENTS (UNLESS NOTED) ARE AT THE PUBLIC WORKS FACILITY, 1250 LINDENDALE DRIVE (OFF CEDAR BLVD.)

Household Hazardous Waste Events — The municipality will host three hazardous waste recycling collection events on **April 5**, **June 7** and **August 9**, from 9 A.M. to 1 P.M. by our contractor, Noble Environmental. You **MUST** pre-register at **www.NobleEnviro.com** for the events to minimize wait times and ensure your safety. **ONLY CREDIT CARD PAYMENTS WILL BE ACCEPTED.** If you cannot participate in these events, contact **www.prc.org** for other events and information.

Woody Waste Curbside Pickup — Materials collected are limited to shrubs, tree branches and limbs. This is not a pickup for trees you have professionally removed. Please place materials at the curb (not in the street) before 7 A.M. on pickup day. You **must** register for each collection event by calling 412-343-3403 or by using **https://mylebo.mtlebanon.org/** by Thursday, 4:30 P.M. the week of that collection event. When preparing your material for pickup, please follow these guidelines:

- Remove all dirt and debris from roots of shrubs. We will not pick up soil or rocks.
- Place small branches into piles (**not bound**) not exceeding 24 inches in diameter and 48 inches in length.
- Large tree limbs should be a maximum of 6 feet in length and 5 inches in diameter.
- Total amount put out for any one pickup cannot exceed the amount that fits in a single pickup truck (4' x 4' x 8').

We are unable to collect material if you do not follow these guidelines.

Yard Waste Recycling Drop-Off — Mt. Lebanon's yard waste drop-off recycling program, available to Mt. Lebanon residents, is on the first and third Saturdays of the month, from 7 A.M. to 3 P.M., from April through the first Saturday in October. Drop off yard waste at the golf course maintenance facility, Pine Avenue. We accept leaves and garden residues in recyclable leaf bags, small twigs, shrubs, brush and branches (under 3 feet). **No grass clippings, stones, soil, stumps, large limbs or plastic bags.**

Thank you for helping us recycle! Please visit our website at **www.mtlebanon.org** for further details.
